Close Quarters:

Close Quarters Larry Heinemann,2010-03-31 From the moment his first novel was published Larry Heinemann joined the ranks of the great chroniclers of the Vietnam conflict Philip Caputo Tim O Brien and Gustav Hasford In the stripped down unsullied patois of an ordinary soldier draftee Philip Dosier tells the story of his war Straight from high school too young to vote or buy himself a drink he enters a world of mud and heat blood and body counts ambushes and firefights It is here that he embarks on the brutal downward path to wisdom that awaits every soldier In the tradition of Naked and the Dead and The Thin Red Line Close Quarters is the harrowing story of how a decent kid from Chicago endures an extraordinary trial and returns profoundly altered to a world on the threshold of change Red Books British Fire Prevention Committee,1908

Collisions at Sea Harry Hirst,2019-04-06 It has been over forty years now since the present International Regulations for Preventing Collisions at Sea the Collision Regulations came into force It s been over forty years in which there have been considerable technological improvements in ship design and equipment Despite these improvements however mariners are still having collisions and marine lawyers are still being called upon to settle liability for these collisions Understanding how the courts interpret the Collision Regulations and apportion liability therefore will benefit both the mariner and the marine lawyer and all those involved in teaching the rules and investigating the causes of collisions at sea This book is for you

The Combat Soldier Anthony King,2013-02-21 A work of historical comparative sociology examining the evolution of infantry tactics in the American Australian Canadian British French German and Italian armies from the First World War to the present It addresses a key question in the social sciences of how social solidarity cohesion is generated and sustained

Radar and Arpa Manual Alan G. Bole,Alan D. Wall,Andy Norris,1992-07-20 Radar and ARPA Manual has been planned not only as a comprehensive practical reference for mariners on board ship and managers ashore but also to provide all essential information for candidates following ENS radar observer and professional certificate courses Recent years have seen significant changes in the design of basic radar systems ARPA features are now almost entirely integrated with the radar display This new manual covers the complete radar ARPA installation bringing together a body of practical information on equipment and techniques which will both serve the observer using traditional systems and provide reliable guidance for the use of newer equipment The recent changes in radar displays that are likely to be of greatest significance to the observer are the developments in signal processing and the advent of raster scan displays these receive exhaustive treatment The effects of changes in shipboard operations such as false echoes from containers are also dealt with Throughout the book the operational significance of the IMO Performance Standards is stressed as is the role of radar and ARPA in navigation and collision avoidance This is Fencing! Ziemowit Wojciechowski,2019-08-01 This is fencing is a rally call heard in training centres around the country Coined by experienced GB fencing coach Ziemowit Wojciechowski it embodies the passion skill and dedication needed to excel at an international level As one of the world s most renowned foil coaches achieving Olympic

podium success and top world rankings for his fencers Ziemowit has sustained a long and successful career which he now unpacks in this comprehensive guide Using real life examples and case studies This is Fencing offers detailed approaches to training tactics and exercises in the foil providing key insights into how to create both individual and club training sessions Key topics include the core principles of coaching training and performance aspects of an individual lesson detailed examples of footwork exercises physical and psychological preparation and practical tactical advice during competitions It captures the true spirit of fencing and will be of great interest to all fencing coaches whether advanced or beginner It is superbly illustrated with 87 colour 35 black white photographs and 17 line artworks

The First Black Boxing Champions Colleen Aycock, Mark Scott, 2011-02-14 This volume presents fifteen chapters of biography of African American and black champions and challengers of the early prize ring They range from Tom Molineaux a slave who won freedom and fame in the ring in the early 1800s to Joe Gans the first African American world champion to the flamboyant Jack Johnson deemed such a threat to white society that film of his defeat of former champion and Great White Hope Jim Jeffries was banned across much of the country Photographs period drawings cartoons and fight posters enhance the biographies Round by round coverage of select historic fights is included as is a foreword by Hall of Fame boxing announcer Al Bernstein
