**The Most Dangerous Game by Richard Connell Annotated** Richard Connell, 2020-07-29 Rainsford is a big game hunter who thinks elephants and tigers are basically couldn't give a hoot about his prey. It's all about the hunt, kill, and impressive skins. After he falls from his Brazil-bound yacht, Sanger Rainsford makes it to the rocky shore of Ship Trap Island. Safe at last, those jaguars in the Amazon will just have to wait for their day of reckoning. He crawls through the gnarled jungle growth and along the shore until he makes it to a fortress chateau managed under the watchful eye of the gun-toting butler-in-house torture specialist Ivan. There he meets his host, a shady character named General Zaroff. This elegant man is a member of the Russian nobility who had to get out of town when the Communists took over Russia in 1917. Initially, Zaroff is the perfect host. But then the truth comes out: he's actually the perfect psychopath. After getting bored hunting animals, he's begun luring people to his island with a cute little trick involving misleading ships into thinking there's a channel where there isn't one. Voila! Fresh prey. But this guy's no bully. He gives people the choice: be hunted for three days and go free if you survive, or be whipped to death by Ivan, who used to be

*Survival Handbook for Rookies (Rookie Cops)* Tyrone Cottingham, 2022-06-24. As a police officer, you are in a brotherhood much like the marines or a special operations type soldier. You would do anything for your brother, even die for them. In the years 2016 and 2017, there were a lot of rookie cops getting killed in the line of duty. This hurts you to the core. One night I was crying out to the Lord and asked him, "Lord, what can I do to help? My brothers and sisters are being killed every day. I was beside myself with grief, and I believe I heard God speak to me in a still, small voice: 'Give them your knowledge. Give them your years of experience.' So I wrote a book. During this time, survival shows were all the rage. So the title *Survival Handbook for Rookies: Rookie Cops* was born. I've held onto it, waiting for the Lord to say when, and I believe he is saying, "The time is now." If this book helps one person, it will have been all worth it.
