She is holding a large, gold-colored shovel with both hands, positioned vertically in front of her. The shovel's handle is at the top, and the blade is at the bottom. Dig Your Own Gold:

Coyote Gold John R. Thomas, 2019-12-02 Coyote Gold By John R Thomas Luis and Sergio met while working at Flores Cantina waiting tables washing dishes and running errands for tips They grew up understanding the financial failures of their city Jobs were few and the pay was low When the Mexican Cartel offered them a job as Coyotes they were ready for adventure and willing to do whatever was necessary to fill their pockets with money or so they thought Quickly becoming the best Coyotes in the Mexican cartel they are the first choice of Arturo head of the cartel in Reynosa to take tourists as he calls them and illegal drugs through the desert across the Rio Grande and into America When they find themselves staring into the cold unforgiving pistol of the bloodiest cartel enforcer in Mexico who thinks they are stealing from Arturo they know they will need a miracle to survive But do miracles really happen What they discover in the desert will change their lives forever

The Denniston Rose Jenny Patric, 2010-05-01 A number one bestseller this favourite New Zealand novel captures a real 19th century community The bleak coal mining settlement of Denniston isolated high on a plateau above New Zealand's West Coast is a place that makes or breaks those who live there At the time of this novel the 1880s the only way to reach the makeshift collection of huts tents and saloons is to climb aboard an empty coal wagon to be hauled 2000 feet up the terrifyingly steep Incline the cable haulage system that brings the coal down to the railway line All sorts arrive here to work the mines and bring down the coal ex goldminers down on their luck others running from the law or from a woman or worse They work alongside recruited English miners solid and skilled who scorn these disorganised misfits and want them off the Hill Into this chaotic community come five year old Rose and her mother riding up the Incline at night during a storm No one knows what has driven them there but most agree the mother must be desperate to choose Denniston worse to choose that drunkard Jimmy Cork as bedfellow The mother has her reasons and her plans which she tells no one The indomitable Rose is left to fend for herself struggling to secure a place in this tough and often aggressive community The Denniston Rose is about isolation and survival It is the story of a spirited child who in appalling conditions remains a survivor
