From Crockett to Custer Mike Martin,2004 Two legendary battles which sprang from the depths of history to shine as symbols of self sacrifice heroism and glorious defeat Encounters

which took the lives of two of America's most famous figures Davy Crockett and General Custer What is the essential link between the battles of the Alamo and the Little Bighorn Why did Crockett choose to leave a safe political career to throw in his lot with suicidal adventurers What drove Custer to ignore common sense and ride to certain death How could it be that the defenders of the Alamo were made up largely of lawyers and doctors Or that the troopers of the 7th Cavalry numbered a majority of Irishmen and Germans Did you know that Crockett kept his besieged comrades entertained with fiddle tunes or that Custer's devoted wife may have had a romantic fling with one of her husband's officers These are just a few of the many questions answered by this new book which explores connections between these events For the first time the battles are linked exploring reasons causes outcomes and personalities Basing his viewpoint on years of research and travelling across the relevant areas of the USA the author gives a detailed account which is accessible to anyone coming to the subject for the first time Illustrated with the author's own photographs maps and sketches From Crockett to Custer takes the reader on an informative journey through the battlefields as they were and as they are today An ideal introduction to the battles of the Alamo and Little Bighorn which will give a true understanding of what happened and the legacy which remains

Pennington,1996 Custer, Curley, Curtis Jack L. Pennington,2005 Author Jack Pennington became aware of new evidence that supports his previous views on the Battle of the Little Big Horn Many of these views have been contrary to general accepted beliefs about this epic event James S Hutchins book The papers of Edward S Curtis relating to Custer's Last Battle a speech by Michael Reynolds delivered to the Western Writers of America in 1975 in Billings Montana and a recently discovered map in which Crow Scout Curley recorded his exit from the Custer battlefield on June 25 1876 all reinforced Pennington's rationale for writing another book on the battle In

Custer Curley Curtis an expanded view of the Battle of the Little Big Horn Jack Pennington addresses and expands upon his thesis A critical and more extensive analysis of the Edward S Curtis Papers a deeper insight into the battlefield scenario and a fresh new evaluation of the Benteen Goldin Letters are included as well as his timetable of the events of June 25 1876 Also in this volume 9 of the Custer Trails Series appendices provide previously unpublished material that supports the author s research Jacket **Kansas History** ,1998 **The Pacific Monthly** William Bittle Wells,Lute Pease,1908 *American Heritage* ,1992 **Journal of the West** ,2005
