Digital Fortress Business Development Excl, Dan Brown, 2009-07-17 *The Dan Brown Enigma* Graham Thomas, 2011-04-04 The Dan Brown Enigma is an insightful look into the world of Dan Brown that will not only enthrall and entertain but will unlock the secrets of one of the world's most exciting and enigmatic writers Dan Brown is already one of the bestselling authors that the world has ever seen Due to the success of his gripping novels Digital Fortress Deception Point Angels and Demons The Da Vinci Code and The Lost Symbol he has become a household name But how did he achieve this What's his secret This in depth biography reveals how with a heady mix of science religion fact and fiction he has captured the public's imagination and secured his place in the history of the popular thriller Despite his enormous success Dan Brown is an unassuming man This book includes a look at his early years long before the fame and fortune that came with the success of The Da Vinci Code when he was a musician teacher and writer of humour titles It also examines the crucial role that his wife Blythe Brown plays in his life and work His skilful storytelling with its intricate twisting plotlines is certainly something that sets him apart from other thriller writers The Dan Brown Enigma also looks at his extraordinary attention to detail and reveals how important research is to each of his books Through hours and hours of careful study he brings to light ancient rites and rituals that are buried deep within our collective subconscious This combination of Brown's imagination with the secret truths myths and legends from a variety of ancient institutions including the Freemasons and the Catholic Church are perhaps why his novels are so successful and at times controversial

The Dan Brown Craze Aiping Zhang, Zhenwu Zhu, 2016-05-11 Since the Chinese translation of The Da Vinci Code was released in China in 2004 the Dan Brown Craze has swept across the country All of Brown's novels have subsequently been translated into Chinese and sold millions of copies No living foreign writer has generated so much media coverage and scholarship in China within such a short period of time not even Toni Morrison or J K Rowling Brown's rendering of dichotomies such as science and religion humanity and divinity good and evil and liberty and privacy resonates well with his Chinese readers because they feel that these issues are no longer irrelevant to them They see an urgent need for a revision if not an entire redefinition of their existing beliefs and values This book examines the plot characterization themes setting codes knowledge institutions and techniques in his novels and delivers a careful textual analysis a selective dissemination of relevant information on different subjects and a perceptive comparison between Brown and other Chinese and Western writers As such it shows how his

thrillers have been appreciated and studied in China and what kinds of discoveries challenges controversies and insights have surfaced in the Chinese appreciation of Brown s novels Furthermore the book explores why the Dan Brown Craze has lasted this long and exerted a broad and far reaching impact upon the reading writing studying translating publishing and marketing of fiction in China
