Sergeant Logan McRae is still looking at nothing but dead ends His only chance of escaping his current post is to get noticed
Not that any of the cases he s working on are the type that you want to get noticed for For starters someone dumped a dying
man outside the hospital McRae s boss D I Roberta Steel and her team can t get an ID on the man the person who dropped
him off or the car McRae s second case is hardly any better It involves a knife wielding eight year old who is not only still at
large but getting all kinds of sympathy in the newspapers That kind of press does little for the department s accusations
against Robert Macintyre Aberdeen s star soccer player and another media darling WPC Jackie Watson McRae s girlfriend is
convinced Robert is a serial rapist but they can t even hold him let alone charge him when the whole city thinks he s being
framed Catching these perps is thankless work and even if he does it seems like McRae s chances of getting off Steel s team
are as bad as Aberdeen s without their leading goal scorer With his third masterful installment in a series that combines fast
paced suspense with a dark distinctly Scottish sense of humor Stuart MacBride has firmly established himself as a major
