Miguel: Hey Eun, how's it going?
Eun: Not bad. How are you, Miguel?
Miguel: Great. Thanks. So, you're from Seoul, Korea—right? That's a big city.
Eun: Yeah. Almost 10 million people live there.
Miguel: Wow. What's your favorite neighborhood? Where do you like to hang out?
Eun: Uhm. . . . that would be Gangnam.
Miguel: Gangnam? Why? What's it like?
Eun: It's got a fun atmosphere. Super trendy.
Miguel: Is that what makes Gangnam unique?
Eun: No, not really. I'd say what makes Gangnam really different is Samneung Park. It's a beautiful, quiet park in the middle of a busy neighborhood.
Miguel: Huh.
Eun: And you can learn a lot of Korean history there, too. Three Korean kings are buried there. So, what about you? Where are you from?
Miguel: I'm from Puebla, Mexico. There's about one and a half million people there.
Eun: Oh, so much smaller than Seoul.
Miguel: Right.
Eun: What's the best neighborhood in Puebla?
Miguel: I'd say the city center, the Centro Histórico.
Eun: What's it like?
Miguel: It has a very relaxed atmosphere. But lots to see and do. You can learn a lot of history there, too. It's where people go to see colonial architecture—lots of buildings from the 16th and 17th centuries.

Eun: I love old buildings.
Miguel: Yeah, but what makes the area unique is this street market called "Callejón de los Sapos" or, in English, "Alley of the Frogs."
Eun: Frogs?
Miguel: There aren't any frogs there. But you can buy beautiful artwork and jewelry, eat great local food, and hear music at night.
Eun: Nice!

Video Track 1.1
page 7, activities C and D

Oh, my goodness!

I was actually walking by one day. I look over and I see Ping-Pong balls in the air. I said, "Wow. Tables." Welcome to Bryant Park.

Narrator: New York City has a population of over eight and a half million people. It can be hard to make connections in such a big city. But just two Ping-Pong tables in Bryant Park are bringing all types of New Yorkers together.

I take the bus to the train and then the train to another train just to get here. Bryant Park has a nice New York type of atmosphere, all walks of life and all the Ping-Pong players come from all over the world to play at this park.

Gregory: I discovered Ping-Pong when I was about 11, 12 years old. I lived in a foster home and I was the youngest out of six foster children in the home. And they had a Ping-Pong table in the basement. And my older foster brothers did not want me to play. And my foster mother said, "You've gotta let him play" and that's how I learned how to play the game.

There's a gentleman by the name of Gregory.

Gregory is the rock of the park, he's always there. You can trust him to be here.

Gideon: He's homeless, but he's not, he's not your average homeless man.

He's kind of like the boss. You don't really know it, but he's kind of like the boss of the tables.

The people that come here are, it's a community now, you know?
