more there always was Roth never stopped working and he believed that everything could be art from his sketch pad to the table he sat at the telephone he talked on or his friend s kitchen the kitchen was later sold to a museum Roth Time A Dieter Roth Retrospective is published to mark the first major survey exhibition of the artist s work since his death in 1998 Five decades of drawings graphics books paintings objects installations films and video works are represented The publication offers a window into Roth s creative world reflecting him and his era The exhibition is organized by the Schaulager with The Museum of Modern Art New York and the Museum Ludwig Cologne **Dieter Roth** Dirk Dobke,Dieter Roth,2004
