Digging For Philip:

Digging for Philip Greg Jackson-Davis, 2003 Fourteen year old social misfit Philip Reddy doesn't know what he's in for when he digs up an unidentified mound of earth near his island summer cottage. Beneath the earth lies the restless Anishinaabe spirit Tikumiwaewidung who once lived and hunted on the lake. The spirit despises the white man for decimating his people and drives Philip like a slave to properly lay to rest the Native people who died during the colonisation of the lake area. For senior high readers 2003

The Pagan Nuptials of Julia and Other Stories Keith Henderson, 2004-12-01 The Pagan Nuptials of Julia chronicles the lives of ordinary English speaking Quebecers who did not go the other way down the 401 a neglected Canadian minority that saw its treasured world sacrificed by statist deceit and disowned with stricken evasive looks even by its own kind. With a vivid contrarian insight Keith Henderson shows us that not all change is even handed or mending and that when it embodies refinement and necessary humanity the Past merits passionate preservation. Contemplating these at times gothic always superbly crafted tales alert readers will find themselves querying their fashionable complacencies while they ponder a vision conservative in the very best of senses one that revives the classical faith in human bonds and meaning and prompts us to remember that we are born into the arms of love. Reminiscent of the works of Hawthorne, Mansfield, Mann and Sinclair, Ross Keith Henderson's *The Pagan Nuptials of Julia* presents the brilliant interrogative creations of one of Canada's finest journalists of the soul
