The Book of Daniel Drew Bouck White, 1913 **The Book of Daniel Drew** Daniel Drew, 1969 **The Book of Daniel Drew** Bouck White, 1965 **The Money Game in Old New York** Clifford Browder, 2014-07-15 I got to be a millionaire afore I know d it hardly remarked the Wall Street financier Daniel Drew 1797 1879 An uneducated farm boy from Putnam County New York he became in turn a successful cattle drover a circus clown tavern keeper a shrewd Hudson River steamboat operator and an unscrupulous speculator As the colorful Uncle Daniel of Wall Street his whiskered face seamed with wrinkles and twinkling with steel gray eyes time and again he disrupted the financial markets with manipulations whereby he either won or lost millions of dollars Having got religion upon hearing a scary hell fire sermon at the age of fourteen Drew was also a fervent Methodist Rumors of his financial operations epic struggles that pitted him against Cornelius Vanderbilt Jay Gould and Jim Fisk and that subjected him to threats of arrest and even kidnapping and on one occasion to a most undignified flight from the state baffled and disturbed the Methodists who admittedly had little grasp of Wall Street but knew firsthand Brother Drew s tearful repentance at prayer meetings and his generosity in founding churches and seminaries With its dual commitment to religion and rascality Drew s career is a rich study in contradictions an exciting chronicle of high drama and low comedy capped by bankruptcy To understand Drew in his complexity the author argues is to get a grip on the heady and exploitative age that produced him the yesterday of smartness and go ahead that helped engender the America of today Based on primary sources this is the first full fledged biography of Drew who hitherto has been known chiefly through a fictionalized and fraudulent account of 1910 [The Book of Daniel Drew](#) Bouck White, 2015-07-12 Excerpt from *The Book of Daniel Drew A Glimpse of the Fisk Gould Tweed Regime From the Inside* A caution to the reader is necessary From the fact that these papers are put in the first person throughout one unwarned would get the impression that they were left by Mr Drew in finished form and that may task as editor had been merely to dig up from the rubbish of some attic a bundle of manuscript undiscovered these thirty years since his death and hand it over to the printer This view would be the more natural because of the following article I quote it in part which appeared in the New York Tribune February 8 1905 A diary of Daniel Drew containing pen pictures of former Wall Street celebrities and accounts of old time financial transactions has been discovered It came to New York the other day in an old trunk which was shipped down from Putman County to a grandniece of the financier from the Drew estate in Carmel Yesterday in going through her consignment she came upon the diary Jim Fisk is mentioned often in its pages and also Cornelius Vanderbilt Events of Black Friday are touched on The article goes on to state that the diary would be prepared for publication About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in

The Book of Daniel Drew; a Glimpse of the Fisk-Gould-Tweed Régime from the Inside Bouck White,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1910 edition Excerpt WE NOW got a bill introduced in the Jersey Legislature which was then in session incorporating the Erie Railroad under a New Jersey charter with headquarters in Jersey City The bill proposed to give to the road all of the rights which it held as a York State corporation Vanderbilt as soon as he heard that such a bill had been introduced got a lobby to work at Trenton and fought the bill tooth and nail So long as we were in Jersey as a visitor he knew he would have a handle on us The Erie charter was a York State thing and didn't look to any moving of the headquarters permanently out of the State So if Vanderbilt could defeat us in getting a home in Jersey he would be able to get us back onto York State soil soon or late But we also set a lobby to work And here we had two or three things in our favour We were nearer Trenton than he was In the next place we had a lot of ready cash whereas he was scant of cash by precisely the amount which had been put into our Dockets And in the third place it was a welcome thing to Jerseyites this prospect of moving the headquarters of the railroad to their soil We worked this last lever all we could We wanted at least the appearance of a settled abode in Jersey City so that the Commodore would give up the job of waiting for us to come back and go to something else We made believe that we liked it in Jersey even better than we had over in New York In fact we even went so far as to get Jay to buy a beautiful house in Jersey City and to give out that he would move his family there shortly With these helps we got the bill jammed through both houses of the Legislature at Trenton The Governor signed it This was notice served on Vanderbilt that we were in this fight in earnest **The Book of Daniel Drew;** Bouck White,2009 **The Book of Daniel Drew - A Glimpse of the Fisk-Gould-Tweed Regime from the Inside** Bouck White,2010-03 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **BK OF DANIEL DREW** Bouck 1874-1951 White,2016-09-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved
