Of The Covenant:

The Book of the Covenant B N Howard,2013-03-01 A Bible overview tracing the covenant theme through the Bible Christians are people of the new covenant made by Jesus death on the cross But what exactly is a covenant And how does Christ s new covenant fullfil and complete all the other covenants that God made with his people in the Old Testament This gripping and highly readable book gives us a sweeping overview of the Bible as it charts the different deals that God has made with people in Scripture It shows how the covenants with Abraham David Moses and others all foreshadow the new covenant to come in Jesus and it helps us see with greater clarity the plan of God as it unfolds through the Bible story With practical application and careful generous discussion of some contentious issues in Christian thinking this book will help believers of every stage get to grips with this central theme of the Bible

The Covenant Story of the Bible Alexander Campbell, 2009-07-01 Like a golden cord the covenant relationship between God and people runs through the Bible from beginning to end The covenant is made broken and remade again and again The death of Jesus on a cross was the final act by which God renewed the relationship of love and trust So says the author the meaning of the Bible can best be unlocked by using the covenant as a special key The covenant story is here divided into acts and scenes in order to emphasize that the Bible is a great drama played on the living stage of history Following this absorbing drama the reader ceases to think of the Bible as a confusing collection of stories poems songs sermons and prayers and becomes vividly aware of its grand design The author has written this book as a practical guide to understanding the Bible for youth and adults He is eager to bring to them the insights of biblical scholarship to lead them to an intensive and intelligent study of the Bible and to move them to identify themselves as actors in the continuing drama of salvation by the grace of God Parents teachers and other adults will also find profit and satisfaction in this pastor s extraordinary gift of narration and interpretation The Covenant Story of the Bible is written with a contagious conviction and enthusiasm The author has struggled to answer the recurring question How do I adequately communicate the story of the Bible to the young people of my church Thus the book has come out of a pastoral concern and long teaching experience
