When our chakras, the spinning wheels of energy in the body's aura, are in harmony, we feel vital and energetic. But when they become unbalanced, we quickly become tired and out of sorts. Drawing on ancient Indian healing systems, Pauline Wills puts us on the path to spiritual, emotional, and physical well-being as she explains where the seven major centers are located, how they are linked, and how they influence our health and happiness. Practical exercises which range from color work, reflexology, and yoga to meditation and mantras provide a chakra workout that balances each one in turn.
