Chaleur Network:

Golk Richard Stern, 1987-08-31 In midcentury America the golden age of television a man named Golk is wreaking havoc with the medium Through a devastating series of exposures You re on Camera Golk manipulates the high and mighty the lowdown and dirty and the outrageous weird all are within the compass of Richard Stern in this early novel a comedy with as many inspired maneuvers as its rambunctious protagonist has for taking the measure of a profligate world Golk is a rich and marvelously detailed novel by a man with a cultivated intelligence it is also the first really good book I have read about television Norman Mailer An original sharp funny intelligent rare Working in a clean oblique style reminiscent of Nathanael West Mr Stern has written in Golk a first rate comic novel a piece of fiction that is at once about and loaded with that kind of recognition that junkies call the flash Joan Didion National Review Golk is fantastic funny bitter intelligent without weariness Best of all Golk is pure that is to say necessary Without hokum Saul Bellow Golk like Golk himself is a wonderous conception Its world responds to personification not analysis and personify it Mr Stern has done A book in a thousand Hugh Kenner What I like about Mr Stern s fantasy is that it has been conceived and written with so much gaiety Far from a political melodrama it reminds me of a Ren Clair movie and even the surrealist touches needed to bring out the power and pretense of the television industry are funny rather than symbolically grim Alfred Kazin Reporter A mighty good book altogether alive full of beans and none of them spilled Flannery O Connor

For Us, What Music? Jerry Harp, 2010-12-28 When Donald Justice wrote in On a Picture by Burchfield that art keeps long hours he might have been describing his own life Although he early on struggled to find a balance between his life and art the latter became a way of experiencing his life more deeply He found meaning in human experience by applying traditional religious language to his artistic vocation Central to his work was the translation of the language of devotion to a learned American vernacular Art not only provided him with a wealth of intrinsically worthwhile experiences but also granted rich and nuanced ways of experiencing understanding and being in the world For Donald Justice recipient of some of poetry's highest laurels including the Pulitzer Prize the Bollingen Prize and the Lannan Literary Award for Poetry art was a way of life Because Jerry Harp was Justice's student his personal knowledge of his subject combined with his deep understanding of Justice's oeuvre works to remarkable advantage in For Us What Music Harp reads with keen intelligence placing each poem within the precise historical moment it was written and locating it in the context of the literary tradition within which Justice worked Throughout the text runs the narrative of Justice's life tying together the poems and informing Harp's interpretation of them For Us What Music grants readers a remarkable understanding of one of America's greatest poets
