Return of the King Thomas Aiello,2025-12 Return of the King tells the story of Muhammad Ali s return to the ring in 1970 after a more than three year suspension for refusing his draft notice as a conscientious objector during the Vietnam War With Ali s career still in doubt he found new support in shifting public opinion about the war and in Atlanta a city still governed by white supremacy but a white supremacy decidedly different from that of its neighbor cities in the Deep South Atlanta had been courting and landing professional sports teams in football basketball and baseball since the end of 1968 An influential state politician Leroy Johnson Georgia s first Black state senator since Reconstruction was determined to help Ali return after his exile The state had no boxing commission to prevent Ali from fighting there so Johnson made it his mission for Ali to make a comeback in Georgia Ali s opponent would be Jerry Quarry the top heavyweight contender and more important a white man who had spoken out against Ali s objection to the war In Return of the King Thomas Aiello examines the history of Muhammad Ali Leroy Johnson and the city of Atlanta while highlighting an important fight of Ali s that changed the trajectory of his career Although the fight between Ali and Quarry lasted only three rounds those nine minutes changed boxing forever and were crucial to both the growth of Atlanta and the rebirth of Ali s boxing career **Awaken My Angels**
