

5 WAYS HIGHER EDUCATION IS CHANGING IN 2025-26

As new political, legal, and economic forces reshape U.S. higher education with unprecedented momentum, it can be easy for colleges and universities to lose sight of their long-term plans. Yet in times of change, it's critical to focus on a clear vision for the future.

Institutional leaders can continue to make continuous improvements grounded in evidence and best practices by tracking the latest education developments.

Use these five trending insights to help you successfully navigate the academic year ahead.
