Changing Values And Tribal Societies

Richard Pearce

Changing Values And Tribal Societies:

Changing Values and Tribal Societies Ratish Srivastava, 1992 Value orientation refers to principles held by member of a society regarding fundamental problems which influence human behaviour The most basic problems found in all societies of all times are man's conception of nature of man's place in it of man's relation to man of man's conception of time and his conception of activity Solutions for these basic problems must be sought It is the content of these solutions that is termed as value orientation The book a comparative study of two different and important ethnic groups the Munda and the Oraon puts to test the assumption that culture is one of the sources of value orientation If members of two ethnic groups differ consistently in their responses to the same questions it is reasonable to assume that cultural differences are at work

Sustainable Livelihoods of Tribal Communities in Odisha, India Narayan Chandra Jana, Anuradha Banerjee, Prasanta Kumar Ghosh, 2022-12-08 In India indigenous tribal communities are the most backward sections of the society and they have been a matter of great concern for the Government More than 87 per cent of the country's tribal population is confined to 11 states among which Odisha has the largest number of tribal communities and Mayurbhanj district has the highest concentration of tribes Throughout the history of development tribal communities were trapped in a vicious circle of exploitation This led to social discontent and unrest resulting in extremist activities which can be prevented only by more meaningful development of the tribal areas This book is divided into 10 chapters each dealing with very crucial and relevant issues It will be useful for policy makers dealing with livelihood issues social exclusion and tribal development related projects

Women and Social Reform in Modern India Sumit Sarkar, Tanika Sarkar, 2008 An impressive collection of writings on women's issues in Indian history

State, Society, and Tribes Virginius Xaxa, 2008

Climate Change, Migration and Conflict in Bangladesh Md Rafiqul Islam, 2023-08-18 This book explores the relationship between climate change induced migration and conflict in Bangladesh one of the most ecologically fragile countries in the world It explores why people migrate from their original place of land and how the migration of people with a different background to an ethnically distinctive region due to environmental changes can become a source of conflict and violence between the host peoples and migrants The volume focuses on the Chittagong Hill Tracts CHT which has experienced long standing

ethnopolitical conflict due to the settlement and migration of the Bengali people from the plain land of Bangladesh This settlement and migration were mainly caused climatic events such as floods cyclones sealevel rise and disasters It traces the history of the ethnic conflict in the region and presents key findings from the field as well as the dynamics of everyday politics in the region This volume also highlights how internally climate displaced people generate violence and civil strife in the major urban cities through their settlements in slums The volume will be of great interest to scholars and researchers of environmental studies human geography migration and diaspora studies public policy social anthropology and South Asian studies

Shifting Narratives and Evolving Roles of Qatari Foreign Policy Abdulla Banndar Al-Etaibi,2026-01-01 This book explores the strategic use of narratives by Qatari policymakers and how these narratives have driven significant shifts in Qatar s foreign policy roles and directions By examining Qatar s foreign policy from 1995 to 2022 the book uses role theory and strategic narrative frameworks to provide a comprehensive analysis of Qatar s unique foreign policy strategies focusing on key turning points like the Arab Spring and crises that have shaped its identity on the global stage Distinctively the project offers an in depth look at two main concepts Kaabat al Madhyum and Qatari Wahhabism as central narratives in shaping Qatar s foreign policy By connecting these local cultural frameworks to modern foreign policy strategies it addresses a gap in the literature that often overlooks the influence of local traditions and values on state behaviour The book leverages a thorough interpretive analysis of interviews policy documents and primary sources making it valuable for readers interested in understanding how culture and identity intersect with foreign policy The organisation of the book allows readers to understand Qatar s foreign policy evolution through structured chapters that address the theoretical foundation the impact of tribal heritage and values Qatar s response to regional crises and its shifting narratives during events like the Arab Spring This book meets the need for a nuanced analysis of a small state s foreign policy influenced by traditional and modern narratives providing insights valuable for students researchers and policymakers studying Middle Eastern politics and international relations

Tribal Society Programmes Planning and Economic Change Manmath Kumar Mohanty,1990

Intergroup Attitude Change in a Tribal Society Richard Pearse,1970

The Indian Journal of Social Work ,1994

Social Change in the Gulf Region Md Mizanur Rahman,Amr Al-Azm,2023-03-21 This open access book comprising thirty nine chapters divided into social cultural economic and political spheres offers a unique opportunity to dive into the complex dynamic and sometimes contradictory transformation of Gulf societies in the last few decades Whilst the Gulf region has at times been seen as impervious to this natural phenomenon of transformation timeless never changing deeply rooted in its ancient tribal customs and traditions and able to blend past and present seamlessly without suffering the wrenching trauma of change this is clearly not the case and the region is not immune to the inevitable forces of social change There is no doubt today that the social change sweeping the Gulf has been profound affecting almost every aspect of life in the Gulf societies This volume has an encyclopedic value as the chapters collectively offer multifaceted and multidisciplinary perspectives to

understand social change in the Gulf region Through these chapters the role of economic and educational transformation and the impact of social media migration and urbanization have in driving social change in the Gulf societies is examined in detail with a focus on their directions magnitudes and relevant policy options It also considers how COVID 19 is affecting the lives of the people in the Gulf This book bridges gaps in the understanding of the rapid pace of social change in the Gulf offering practical solutions for policy interventions It is of interest to scholars and students in Middle Eastern studies specifically as well as sociology media studies migration studies and educational policy

Role of Co-operatives for Tribal Development Dwarika Nath Padhy,2002 Study conducted in Koraput District in Orissa *Continuity and Change in Tribal Society* Mrinal Miri,1993 With reference to India seminar papers Reservation and Social Transformation Among SCs and STs Rajalaxmi Rath,1995 While the Constitution of India provides for equality of status to all the citizens it also recognises the need for special provisions in favour of the socially disadvantaged groups with the objective of bringing them to a level comparable to the other communities Based on the thesis of the author s doctoral research the present volume examines the impact of the policy of compensatory discrimination and the various constitutional provisions aimed at giving preferential treatment to the Scheduled Castes and Scheduled Tribes especially with regard to the provision of reservation of jobs in the public services The author analyses the degree of social transformation achieved due to the implementation of the policy of reservation in the public services among the SC s and ST s with particular reference to the State of Bihar Many significant findings have emerged out of the study The beneficiaries of reservation have not only broken away from their traditional occupations but have also become examples for members of their communities in view of their power prestige and self confidence vis vis members of the upper castes Induction in to the government services has given a fillip to these communities to contribute actively in the development process The volume also examines the implementation of the policy of reservation and the change that has occurred in the semi feudal society of Bihar The book contains valuable suggestions towards ensuring effective administration of the reservation policy These deserve the attention of policy makers academicians and administrators engaged in the task of bringing about social change through constitutional means

Social Structure & Change Among the Tribals John Kattakayam,1983 **Seminar on Values and Fertility Change, Sion (Switzerland), Institut Universitaire Kurt Bösch, 16-19 February 1994** ,1994 *The Foundations of Society and the Land* John Wynne Jeudwine,1918 **Archaeology as Long-Term History** Ian Hodder,1987-08-06 This contributory volume emphasises the archaeological significance of historical method and philosophy **Christianity, Ideology, and Social Change Among Tribals** Prakash Chandra Jain,1995 Relates chiefly to the Bhils of B nsu ra and Dungarpur districts of Rajasthan Social Action ,2004
