## **Changing World Of School Administration:**

The Changing World of School Administration George Perreault, Frederick C. Lunenburg, 2002-07-02 The tenth annual NCPEA yearbook examines the pressing issues facing today's educational leaders from a variety of philosophical perspectives Standardized testing the impact of market forces on public education zero tolerance disciplinary policies gender and ethnic diversity and issues related to the preparation of school leaders are among the topics discussed in the 25 essays This divergent dialogue speaks to professors of educational administration superintendents principals and others engaged in this changing and challenging field *Schools and the Changing World* Benjamin Levin, J. A. Riffel, 1997 Suggestions are constantly being made about the kinds of changes schools should make Research in this text shows that schools are primarily inward looking and would benefit from a better understanding of the changes surrounding them and the pressures on them

*Schools and the Changing World* Benjamin Levin, J. A. Riffel, 1997 Suggestions are constantly being made both in the popular media and academic literature about the kinds of changes schools should make The research in this text shows that schools are primarily inward looking organizations and would benefit from better ways of understanding the changes surrounding them and the pressures on them This text offers theoretical discussion of the ideas around the topic and a set of suggestions for thinking about them
