Communicators Commentary Vol 2 Exodus:

Please God, Let There Be Another Boom Grant McDowell, 2011-12-23 Do you feel that taking your faith to work is as welcome as driving a truck through a living room Please God Let There Be Another Boom is a reasonable and helpful guide showing foundations for integrating faith with work and exploring the practical impact of faith at work In an era where workers change jobs or move from city to city in order to sustain themselves and their families hope to continue will be found in these chapters After pouring solid footings for faith at work the author presents ten important areas where workers balance belief with business These areas include authority relationships at work verbal witness pay and its problems rest meaning at work prayer at work and more For over thirty years author Grant McDowell has shepherded people who live with the impossibilities and rewards of the workplace and he has engaged in their world via his blue collar background his involvement in the local business community and by seeking ways to encourage those who refuse to pretend spirituality is reserved for wooden benches in quiet sanctuaries

From Genesis to Revelation God Takes a Bride Susan A. Cyre, 2019-06-02 This book examines the whole of Scripture as the unfolding marriage covenant between God and his people The book demonstrates that God's marriage to his people is the central theme of the Bible Eighteenth century Reformed pastor Jonathan Edwards captured that perspective when he observed The creation of the world seems to have been especially for this end that the eternal Son of God might obtain a spouse to whom he might pour forth all that immense fountain of love and grace that was in his heart and that in this way God might be glorified This book traces the divine marriage from God's promises to Abraham to the betrothal

covenant that includes the Ten Commandments to Israel's breaking of the covenant as described by the prophets to the new covenant in Christ and finally to the consummation of the divine marriage covenant in Revelation at the wedding of the Lamb. God instituted the marriage of a man and a woman in Genesis 2 to be an image of God's divine marriage with his people. Therefore it is not a coincidence that both the Gospel and marriage are under attack in our culture. Human marriage cannot be rightly understood apart from the Gospel and the Gospel cannot be fully understood apart from marriage. This book enables Christians whether single or married to appreciate in a much fuller way the depth and nature of God's love for his bride. Seeing how the divine marriage defines and shapes human marriage also presents a clearer understanding of the spiritual importance of human marriage inspiring Christians to pursue marriages that more faithfully reflect God's design. This book proclaims Scripture's message of God's unrelenting irrevocable love for his bride and invites the church to respond.

[The Wisdom Background and Parabolic Implications of Isaiah 6:9-10 in the Synoptics](#) Donald E. Hartley, 2006. *The Wisdom Background and Parabolic Implications of Isaiah 6:9-10 in the Synoptics* seeks to understand the divine act of fattening in Isaiah 6:9-10 and how it shapes one's understanding of parables in the Synoptic Gospels. The author approaches the topic from within a wisdom matrix and lays an historical exegetical foundation for understanding these and other critical passages in the New Testament. Readers will follow the Isaian text through varied traditions revealing a marvelous unity in terms of the divine action and the human condition. College and seminary courses focusing on hermeneutics, wisdom outside the wisdom corpus, and the Synoptic Gospels will find this book innovative, challenging, and provocative.

Discipleship Therapy Albert H. Epp, 1993. A Kansan visited the church of his ancestors in Sweden. On Sunday only ten of 800 members came to worship. The churches that gave Christianity to America are now writing our obituary unless we avoid their pitfalls. Dr. Epp sees one hope to disciple people within the church: Mt. 28:18f, that is, to train followers like Jesus did his Twelve. Chapter 1 details the crippled church. The next chapters clarify foundational aspects of salvation following Christ.
