Illustrated Encyclopaedia of World History, *Already Compromised* Ken Ham, Greg Hall, Britt Beemer, 2011 Parents and students sacrifice large sums of money for a Christian college education. Why? They are purchasing a guarantee: their child's faith in God and the Bible will be guarded and developed. But is the Bible being taught? Will they graduate believing in the inerrancy of Scripture, the Flood of Noah's Day, and a literal six-day creation? Apologetics powerhouse Ken Ham and Dr. Greg Hall reveal an eye-opening

The Planet Earth Before Adam Solomon Olufemi Samuel,2020-05-30 THE PLANET EARTH BEFORE ADAM is a book born out of my childhood curiosity to find out the origin of sin and other forms of evil Reading through the pages of my Bible from Genesis only to see the Devil entered the garden to

deceive man Where did he come from Did God created him like that If God knew that man would fall why did He made him in the first place These and many more are questions that I couldn t get answers to in the early part of Genesis I later discovered the following that there was actually a Bible proven Earth before Adam that Lucifer was not the archangel in charge of music as we have been made to believed that he was the king and priest over the planet Earth that this is why Adam was also a king and priest Melchizedek the Theophany that appeared to Abraham was called the king and priest after who Jesus Christ the mediator of the New Testament was made the King and Priest forever after the order of Melchizedek This is the reason the new creature in Christ Jesus is made a king priest because it takes these two offices and anointings to bring this planet under the governing influence of God just as He intended from the beginning This book will definitely give your christian life a serious push
