**John's Gospel** Hermann Beckh, 2021-11-10 That there is a living stream of Johannine Christianity can no longer be doubted There is now an abundant literature from Rosicrucian and esoteric traditions from the deepest prayer and meditation that addresses the exalted nature of John the Evangelist as expressed through his Gospel Letters and the Book of Revelation Yet it fell to Hermann Beckh to elucidate clearly how the individual known as John became the source of such undying love and wisdom in Christ According to Rudolf Steiner John was the ailing Lazarus called from death to a new life as the disciple Jesus loved Beckh demonstrates how John's invaluable writings were

based on personal spiritual knowledge and experience expressing the divine work of the Cosmic Christ on human nature and on the Earth leading far into the future Whilst Beckh s authorship originated within the context of the emerging Christian Community founded in 1922 his profoundly original books could not be confined to its framework Not only could Beckh tackle original texts in Tibetan Sanskrit and Avestan but through his independent vision he was able to establish new links with philosophical Alchemy Jakob B hme Goethe Nietzsche and Novalis He thereby stands with these figures as a co worker in a greater community Having prepared the way with his Mark s Gospel of 1928 John s Gospel could be described as the capstone of Beckh s writings as a triumphant announcement that theology and the study of John s Gospel have finally come of age Appearing here in a freshly revised translation by Alan Stott the current volume is enhanced by a series of valuable addenda that shed further light on Beckh s significant achievements

**The Theological Intentions of Mark's Literary Devices** Dean B. Deppe,2015-10-22 What sets The Theological Intentions of Mark s Literary Devices apart from other books What niche does it fill that makes its publication important This volume will interest all those who value a literary approach to the Gospel of Mark Dean Deppe introduces some new literary devices in the research of the Gospel of Mark as well as demonstrates the theological intentions of Mark when he employs these literary devices Deppe argues that Mark employs the literary devices of intercalation framework allusionary repetitions narrative surprises and three types of mirroring to indicate where he speaks symbolically and metaphorically at two levels Mark employs these literary devices not just for dramatic tension and irony but also for theological reasons to apply the Jesus tradition to specific problems in his own day

**Astrology** Llewellyn George,1931 VOICE OF 3, WORDS OF MANY Jemma Newell,2014-04-23 A combination of wisdom and wise words for every human soul to create internal enlightenment and help develop into more balanced beings Jemma Channels evolved high vibrational information from the council And with the help of her spirit guide white wolf they have produced information to advise on how each and everyone of us can not only help ourselves on such deep levels but help produce a better world

**This Is My Body** Thomas J. Davis,2008-08-01 There are many general surveys of the Reformation available and they all typically devote some space to how theologians such as Martin Luther and John Calvin understood the Lord s Supper and Christ s presence in the bread and wine However they usually do not provide a great deal of detail about the development of the Reformers thoughts or the finer elements of their respective opinions This volume by Thomas Davis fills these gaps with a more narrowly focused study He devotes several chapters to Luther and to Calvin examining their use of language and their understanding of the presence of Christ both in the Lord s Supper and in the broader sense of his presence in the church

*Profiles of Anabaptist Women* C. Arnold Snyder,Linda A. Huebert Hecht,2010-10-30 During the upheavals of the Reformation one of the most significant of the radical Protestant movements emerged that of the Anabaptist movement Profiles of Anabaptist Women provides lively well researched profiles of the courageous women who chose to risk prosecution and martyrdom to pursue this unsanctioned religion a religion that unlike

the established religions of the day initially offered them opportunity and encouragement to proselytize Derived from sixteenth century government records and court testimonies hymns songs and poems these profiles provide a panorama of life and faith experiences of women from Switzerland Germany Holland and Austria These personal stories of courage faith commitment and resourcefulness interweave women s lives into the greater milieu relating them to the dominant male context and the socio political background of the Reformation Taken together these sketches will give readers an appreciation for the central role played by Anabaptist women in the emergence and persistence of this radical branch of Protestantism
