Psychology and the Challenges of Life Jeffrey S. Nevid, Spencer A. Rathus, 2005-01-14 This ninth edition illustrates how psychology provides the basis for meeting many of the challenges of contemporary life The text s integrated emphasis on diversity promotes a more inclusive view of personal adjustment Coverage of diversity issues throughout provides reasons why psychologists study human diversity and relates those reasons to issues of personal adjustment The book incorporates coverage on biological views classification of psychological disorders adjustment disorders and acute stress disorders

Self-directed Behavior; Self-modification for Personal Adjustment David L. Watson, Roland G. Tharp, 1972 More than just a self help book this Sixth Edition of Watson and Tharp s highly successful text continues to provide readers with step by step instructions for carrying out a program of self modification As readers experience behavior modification in the laboratory of their own lives they learn sound scientific principles and coping skills for personal problem solving that will be with them for the rest of their lives Although the authors deal with specific topic areas such as improving study habits managing stress or overcoming depression the book does not narrowly focus on overcoming specific problems Instead it emphasizes behavior

modification principles students can apply again and again Watson and Tharp guide students through exercises for developing skills in self analysis and provide them with concrete information on how to achieve personal goals Case reports of their own students self change projects and others solicited from users of previous editions provide models for success In addition the authors include data from empirical field testing of the text indicating that students in courses using this book have achieved self change goals at percentages varying from 66% to 84% e g Clements Hamilton 1980 Rakos Grodek 1984
