Big Book of Virtual Teambuilding Games: Quick, Effective Activities to Build Communication, Trust and

Collaboration from Anywhere! Mary Scannell, Michael Abrams, Mike Mulvihill, 2011-12-16 Get remote team members to interact as if they're in the same room. Whether you're videoconferencing with team members across the world or emailing a colleague sitting ten feet away, the truth is evident: technology has permanently altered the way we communicate. The virtual workplace can facilitate quicker decision making and reduced overhead. But the lack of face-to-face interaction can also impede trust, innovation, and creativity among team members. *The Big Book of Virtual Team Building Games* is packed with games and activities for developing productive virtual teams across all digital platforms, including email, mobile devices, web-based conferencing tools, and social media sites such as Facebook, Twitter, and Skype. *The Big Book of Virtual Team Building Games* helps you build a greater sense of community and reduce conflict, increase levels of engagement, get the most out of more introverted team members, boost team members' productivity, and make sure that the only thing separating your people is distance. *The Big Book of Virtual Team Building Games* is just the tool you need to develop trusting relationships, foster clear communication, and use technology to enhance the team's connections.

Communicating in Groups and Teams Gay Lumsden, Donald Lumsden, 2004 Offers skills and information designed to enhance your success in groups and teams. You'll learn how to facilitate positive group and team experiences and how in truly successful teams every member also takes on the roles of facilitator, contributor, participant, and leader. Just as important, you'll discover how diversity contributes to quality teamwork. The authors give you the tools you need to appreciate different points of view and understand how factors such as gender and culture influence every group dynamic.

A Manager's Guide to Virtual Teams Yael Sara Zofi, 2011 With an increasing number of employees working remotely, it is more difficult than ever to ensure that team members are working smoothly and productively. This book provides a roadmap for bridging the logistical, cultural, and communication gaps that can prevent any virtual team from reaching its full potential.

Business and Administrative Communication Kitty O. Locker, 2006 This Seventh Edition of *Business and Administrative Communication* by Kitty Locker is a true leader in the business communications field.
