

A First Passover

Hugh Chisholm, James Louis Garvin

A First Passover:

The Anointed ONE Mark Brand,2024-09-17 Here Am I reflects the attitude of our Anointed One The words were spoken initially in Isaiah 6 8 when the Lord was looking for a messenger and Isaiah was saying Here am I Send me Those words also reflect the heart and mission of our Messiah Many of the prophets spoke about Him and He brought a message of hope for the sinner a message of mercy and forgiveness originating from our loving Heavenly Father We find our promise of the coming Anointed One from the garden of Eden through the covenants In the temple and the holidays we see things that also point us toward our Messiah He s in too many places to list here We find Him throughout the Old Testament in the stories in the text in the prophecies saying Here Am I the one foretold about It s incredible how many places in God s Word our Messiah the Anointed One shows up My prayer for you is that you are blessed through the reading May the Lord bless you and keep you Amen

The Oxford Handbook of Johannine Studies Judith M. Lieu,Martinus C. de Boer,2018-07-19 The contribution of the Johannine literature to the development of Christian theology and particularly to Christology is uncontested although careful distinction between the implications of its language especially that of sonship in a first century Jewish context and in the subsequent theological controversies of the early Church has been particularly important if not always easily sustained Recent study has shaken off the weight of subsequent Christian appropriation of Johannine language which has sometimes made readers immune to the ambiguities and challenging tensions in its thought The Oxford Handbook of Johannine Studies begins with chapters concentrating on discussions of the background and context of the Johannine literature leading to the different ways of reading the text and thence to the primary theological themes within them before concluding with some discussion of the reception of the Johannine literature in the early church Inevitably given their different genres and levels of complexity some chapters pay most if not all attention to the Gospel whereas others are more able to give a more substantial place to the letters All the contributors have themselves made significant contributions to their topic They have sought to give a balanced introduction to the relevant scholarship and debate but they have also been able to present the issues from their own perspective The Handbook will help those less familiar with the Johannine literature to get a sense of the major areas of debate and why the field continues to be one of vibrant and exciting study and that those who are already part of the conversation will find new insights to enliven their own on going engagement with these writings

My First Passover Haggadah Sol Scharfstein,1986 **A Commentary on the Authorized English Version of the Gospel According to St. John; Compared with the Sinaitic, Vatican, and Alexandrine Manuscripts, and Also with Dean Alford's Revised Translation by the Rev. Francis Henry Dunwell. [With the Text.]** ,1872 **Legal Exegesis of Scripture in the Works of Josephus** Michael Avioz,2020-11-12 Michael Avioz builds upon his earlier work on Josephus as an exegete providing a comprehensive study of Josephus contribution to the crystallization of the Halakha which focuses on the similarities and dissimilarities between his work and the tannaitic sources as well as contemporary Second Temple

sources Avioz begins by providing a clear definition of Halakha and offering an explanation of methodology and sources He then examines the structure and contents of the Pentateuch in Josephus writing before moving on to more specific coverage of the Decalogue in the work of Josephus and its relation to other laws in the Pentateuch Further analysis is applied to the laws in the books of Leviticus Deuteronomy and on laws that appear outside the Pentateuch Throughout Avioz makes close comparisons between biblical laws and Josephus rewriting of them in order to consider the reasons behind this rewriting and the origins of the texts that Josephus may have had access to in his exegetical work Avioz is consequently able to draw clear conclusions about the interpretative traditions that Josephus had access to and worked within and about how he used them in his writing

The Fourfold Gospel: Introduction Edwin Abbott Abbott,1913 **The Wiersbe Bible Commentary: Old Testament** Warren W. Wiersbe, Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning Developed from Dr Wiersbe s popular Be series of Bible study books this commentary carefully unpacks all of God s Word The Wiersbe Bible Commentary Old Testament offers you Dr Wiersbe s trustworthy insights on the entire Old Testaments New Biblical images maps and charts Introductions and outlines for each book of the Bible Clear readable text that s free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse by verse through the Scriptures It s the trusted reference you ll love to read

The Encyclopædia Britannica Hugh Chisholm,James Louis Garvin,1926 **The Life of the Lord Jesus Christ** Johann Peter Lange,1872 **The Day of Yahweh** William Arthur Heidel,1929 Feasts in John Michael A. Daise,2007 In this work Michael A Daise broaches the question of the rationale lying behind the six feasts mentioned in the Gospel of John He argues that in an earlier recension of the Fourth Gospel those feasts were sequenced into a single liturgical year and as such furnished temporal momentum for the concurrent motif of Jesus hour After reviewing the feasts as they appear in the narrative then critiquing the major theories proposed for their purpose the author presents his key premise that the Passover at John 6 4 is to be read not as a regular Passover observed on 14 Nisan first month of the Jewish calendar but as the Second Passover of Numbers 9 9 14 observed on 14 Iyyar second month of the Jewish calendar The law of hadash for barley 6 9 requires a date for chapter 6 after the regular Passover the Exodus manna episode Exodus 16 on which John 6 largely turns dates to 15 Iyyar the contingent character of the Second Passover explains Jesus absence from Jerusalem in John 6 and with John 5 and 6 reversed the chronology of John 2 13 6 71 coheres On such a reading the feasts of the entire Fourth Gospel unfold within a single liturgical year Passover 2 13 Second Passover 6 4 the unnamed feast Pentecost 5 1 Tabernacles 7 2 the Dedication 10 22 23 and Passover 11 55 Inasmuch as this scheme brings chronological design to chapters 2 12 and inasmuch as those same chapters also chronicle the imminent arrival of Jesus hour 2 4 12 23 an overarching purpose for the feasts emerges namely to serve the motif of Jesus hour by marking the movement of time toward its arrival

The Life and Times of Jesus the Messiah Alfred Edersheim,1883 *The First Epistle to the Corinthians* Marcus Dods,1898 **Graded**
