Black Pride and Black Prejudice Paul M. Sniderman, Thomas Piazza, 2021-02-09 Do black pride and black prejudice come hand in hand Does taking pride in being black encourage the rejection of a common bond with other Americans In this groundbreaking study two leading social scientists mount a challenge to those who would answer yes Paul Sniderman and Thomas Piazza probe these questions in the only way possible asking black Americans themselves to share their thoughts about each other America and other Americans Writing in a strikingly transparent style they open a new window on the ideas and values of real individuals who make up the black community in America today Contrary to the rhetoric of some black leaders Sniderman and Piazza show that African Americans overwhelmingly reject racial separatism and embrace a common framework culture and identity with other Americans Although the authors find that levels of anti-Semitism are notably higher among black Americans than among white Americans they demonstrate that taking pride in being black does not encourage blacks to be more suspicious or intolerant of others who are not black The higher levels of anti-Semitism are instead associated with a gallery of oversimplified and accusatory ideas including a popularized Afrocentrism and charges of vast conspiracies that have won

substantial support in the black community Readers of this book will come away with an understanding of how African Americans while insistent on winning racial justice are deeply committed to the values of the American ethos and their identity as Americans

Can Virtue Make Us Happy? Otfried Hoffe, 2010-03-17 In *Can Virtue Make Us Happy* The Art of Living and Morality Otfried Hoffe one of Europe's best known philosophers offers a far reaching and foundational work in philosophical ethics Hoffe uses clear accessible language to present common understandings of happiness and freedom while illuminating the blind alleys in the history of philosophy What has priority good ends or right action Is freedom always anarchy Is it possible to think of a freedom enhanced by morality Is morality merely a euphemism for stupidity Does humanity have a good or a bad character Is there such a thing as evil Hoffe offers no simple formulas but provides enlightened philosophical reflection to fuel the reader's own examination of these questions

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes.
