J. J. See,1910 Rediscovering the Fifth dimension Jan Edvin Andersen,2023-05-31 This brand new universal model and physics was first published in book form September 26th 2015 Remember the important date This book is a brand new textbook in a brand new basic 5 dimensional quantum physics and is written for future physicists and researchers This new model is a full visualization of all these extra undetectable quantum physical dimensions Rediscovering the fifth dimension is a brand new 5 dimensional quantum physics model that builds up the entire universe only on energetic oscillating fields and a very special universal substance This substance is actually the difference between whether something can be seen discovered detected or not This universal substance was fully proven by Carl David Anderson as early as the 1930s This semi physical substance is produced only by the Higg s field That s the only reason they were able to discover this Higg s field as the absolute only possible field they could detect in the particle accelerator They found absolutely no physical particles Remember this This is very important if you want to understand the universe as it really appears This new quantum physical hologram model s atoms are only these 4 dimensional oscillating energetic fields which are actually fully proven by the particle accelerator in 2016 As a result 99% of the universe actually consists of an undetectable quantum physics side and 1% is this strange substance This is where reality comes to the surface and becomes fully visible in the highly active 5 dimensional quantum physical universal engine room The fact that something is visible and detectable is only due to the substance This new model reveals Tesla technology and stealth technology and points out the very reason why the UFO s can disappear from today s high tech radars The reason why the UFO can disappear from radar is that there are no physical particles left in the UFO only the atom This substance can disappear again completely controlled also the stealth effect occurs in the UFO The particle accelerator s final and very clear evidence just says that there can be no physical particles and that it actually proves that there has never been a big bang Still today is this fake big bang universe only researched and taught Why Is it only because scientists don t understand the right universe that the particle accelerator actually proved to them should be there The energetic oscillating field universe *University of California Publications in Education* University of California, Berkeley,1907 **California Dahlia Grower** ,1930 **The Nation** ,1893 The Tides and Kindred Phenomena in the Solar System Sir George Howard Darwin,1898 *Altar Fires* Ruth Bassett Eddy,1919 The Naval Miscellany John Knox Laughton,William Gordon Perrin,Christopher Lloyd,N.
