08-09-2021, **La Ilaha Illa Allah** Imam Karim AbuZaid , 2021-08-01 When I wrote the first edition of this book Worship Your Lord which is the second book of the Right Belief Series I indented to connect Volume I Know Your Lord with Volume II Worship Your Lord I am simply saying the correct knowledge of Allah s w t must lead to worshipping Him I also intend for the content to help the readers familiarize themselves with the different categories of Monotheism Tawheed I intend to simplify the subject of Monotheism Tawheed which can help advance the Call of Monotheism Tawheed especially for Muslims living in the West Furthermore this book will acquaint Muslims with the methodology of understanding of the faithful adherents Ahlu Sunnah Wal Jama ah to the Quran and the Prophetic Tradition Sunnah Until recently something shocking happened A Layman Muslim asked Yasir Qadhi the following question What is the ruling on invoking the engraved saints Awlyia Yasir Qadhi answered him publicly saying The second opinion is the opinion that invoking the saints Awliya it is Haram Unlawful and it is evil and evil innovation a religions innovation a Bid ah and it is a steppingstone to Shirk Polytheism It is opening the doors to Shirk Polytheism But it is not Shirk Polytheism in and of itself unless that action is accompanied by a belief that you are calling out to a god I myself am an advocate of this second position It was shocking to witness someone who is knowingly and willfully encouraging grave worshiping when it is a clear cut demolition of the Universal Declaration of Faith L il ha illa All h Yet the hearts of his fans loyalists remain neutral and their tongues remain silent L il ha illa All h comprises two pillars the complete negation of any form of worship to others than Allah s w t and the unquestionable and firm affirmation of all forms of worship only to Allah s w t Yasir Qadhi is a learned person who used to be amongst those

whom Allah s w t honored to defend and preserve this Declaration Kalimah but now says that worshiping the graves is everything terrible evil sin innovation a steppingstone and a door opener but not Polytheism Shirk Meanwhile many people s dilemmas including his Facebook fans and other learned Shaykhs in his circle secure their livelihoods and prestige So do they have no care for what happens to the religion What benefits does one gain from his adherence to the religion what good is left in him towards Allah s w t His religion and His Messenger s a w when he sees Allah s s w t boundaries and sacredness being transgressed Hence I decided to introduce a revised second edition of the book titled L il ha illa All h and to include two additional parts to address and refute Yasir Qadhi s recent grave worship blunder I ask Allah s w t to make this work of benefit to Muslims including our brother Yasir Qadhi May Allah s w t guide us all Ameen Imam Karim Abu Zaid

Allahs Names And Attributes Introduction

In today's digital age, the availability of Allahs Names And Attributes books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Allahs Names And Attributes books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Allahs Names And Attributes books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Allahs Names And Attributes versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Allahs Names And Attributes books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Allahs Names And Attributes books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Allahs Names And Attributes books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Allahs Names And Attributes books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Allahs Names And Attributes books and manuals for download and embark on your journey of knowledge?
