In the UK, food labelling law requires any business supplying food or drink to provide information about any of the 14 regulated allergens used as ingredients in their products or dishes.

These have been prioritised as the most potent and prevalent allergens affecting consumers in the UK and EU.

The 14 allergens must be emphasised within the ingredients list of pre-packed food or drink. This can be done, for example, by using **bold**, *italic* or coloured type, to make the allergen ingredients easier to spot.

The 14 regulated allergens are....

Celery

Cereals containing
gluten (by name)

Crustaceans

Eggs

Fish

Lupin

Milk

Molluscs

Mustard

Nuts (by name)

Peanuts

Sesame Seeds

Soya

Sulphur Dioxide
(Sulphites)

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
