Captain Jacks Celestial Navigation:

Captain Jack's Celestial Navigation Jack I. Davis, 1999 Captain Jack I Davis has done it again He has written yet another very easy to understand instructional navigation book As in his first book Captain Jack s Basic Navigation this book is filled with knowledge new sea stories and more humorous anecdotes Using the same highly successful format of his first book Captain Jack takes the reader through each phase of navigation by first explaining in detail the steps needed to complete each phase This is followed by a list of questions to answer using your new found knowledge After you have completed the questions you can check your answers at the end of each chapter All the calculations are accomplished with simple grade school math using an inexpensive calculator and basic plotting tools If you believe you do not need these Old Time navigational skills in this modern age of electronic navigation Captain Jack restates his suggestion to you Tape a mirror below your GPS display When the electronics fail you can look in the mirror and see exactly who is lost Illustrated

Captain Jack's Complete Navigation Jack I. Davis, 1999 Captain Jack s Complete Navigation is a combination of Captain Jack s Basic Navigation and Captain Jack s Celestial Navigation This is truly the most complete and easy to understand navigation package you will own After traveling thousands of miles on the water and teaching hundreds of navigation and boating courses Captain Jack has put his vast experience into this excellent book Filled with knowledge sea stories and humorous anecdotes this book is not only a learning tool but also thoroughly enjoyable to read He has even thrown in a few boating lessons to help you at sea Captain Jack takes the reader through each phase of navigation by first explaining in detail the steps needed to complete each phase This is followed by a list of questions to answer using your new found knowledge After you have completed the questions you can check your answers at the end of each chapter All the calculations are accomplished with simple grade school math using an inexpensive calculator and basic navigation tools If you believe you do not need these Old Time navigational skills in this modern age of electronic navigation Captain Jack makes this suggestion to you Tape a mirror below your GPS display When the electronics fail you can look in the mirror and see exactly who is lost

Racing the Ice to Cape Horn Frank Guernsey, Cy Zoerner, 1999 Frank Guernsey lived through this tale of his record setting 128 day nonstop journey sailing single handed from Southern California around Cape Horn to Uruguay in an engineless sailboat only 24 feet long Cy Zoerner put this harrowing adventure into words as no other author could As Frank revealed the story Cy began to wonder as would we all what could drive a man to commit to an outrageously dangerous undertaking in such a small craft After endless hours discussing life and love with Frank Cy understood and a story like no other poured forth This will be the best sailing adventure you will ever read and quite possibly the best book you will read for years to come The greatest fiction can not match the adventures and life of Frank Guernsey Humans The handle of my precious watermaker stopped in my hands My eyes strained at the black speck on the gray watery horizon The misery from the open saltwater sores I sat on winked out As I switched on my video recorder my only companion since I set sail I
