

The background of the image is a night scene of a waterfront town. In the upper half, there are several large, bright fireworks exploding in a dark blue sky. Below the fireworks, a row of multi-story buildings with lit windows and balconies is visible. In the foreground, a dark promenade runs along the water's edge, with the silhouettes of several people walking. The water in the lower left corner is dark and reflects some of the lights from the buildings.

weapon against Pedro and his friends With deadly results he attacks and it appears he might be winning the war He should be happy but is surprised and horrified to discover that there will always be a price to pay for using black magic
