## Cast A Giant Shadow Signed:

**Chasing the Shadow** Steven L. Ossad, 2024-12-20 The life of David Mickey Marcus has become the stuff of legends and myths even fantasy conspiracy wild exaggeration and untethered embellishment The image of Marcus cast by the character portrayed by Kirk Douglas in the film version of his life still dominates most evocations of the man for good or ill And these days reactions to the book or film rest mostly on the current headlines rather than the historical context of the struggle in which Marcus died or the events that cast him as a real life player in an event marked by destiny *Chasing the Shadow* Mickey Marcus's *200 Days of Destiny* is the first comprehensive and balanced biography of David Daniel Mickey Marcus a founder of American Civil Affairs and Military Government doctrine and practice and a seminal figure in early Israeli military history Far from merely a tribute to Mickey Marcus's legacy Ossad's work serves as a critical tool for understanding the realities of mid 20th century warfare in a Postwar colonial struggle and the dynamics of U S Israeli military and political relations in 1948 the critical year for Israel's struggle for independence Indeed *Chasing the Shadow* is a valuable read for those interested in Middle East history Jewish military history and a fascinating character whose story is told in an engaging informative and insightful narrative

*Ronald Reagan* Carolyn McGivern, Fred Landesman, 2005 This full colour impressively weighty biography concentrates on the lengthy movie career of Ronald Reagan a first career founded in an explosive era that generated such powerful Presidential politics two decades later Sadly Reagan's diverse collection of films tends to be scoffed at by the scholarly and they are today largely ignored obscured behind his later political achievements But for those wanting to understand what made this charismatically popular President of the United States of America tick his Hollywood years must be looked at in depth For it was there he learned the actor's skills that allowed the politician to communicate so effectively The unusually close relationships he was later able to forge with world leaders and the American public makes little sense without the framework of their development He was a major

Hollywood player He starred in some classic film contributions He enjoyed the company of some of the day s favourite leading female stars he married two of them He worked with top producers and directors From his very early days as a film star he was deeply involved in Hollywood s politics and his broad smiling affability and silky voice hid the steel that would lead him right to the top Loaded with stills detailed movie production notes synopses financial records and reviews
