Beach Blanket Bedlam: Volume Two in the Service with a Sneer Chronicles John J.

Lamb, 2025-05-25 Back in 1982 Frankie and Annette wouldn't have survived ten minutes on this beach Not before either being robbed brutally assaulted or forced to flee in terror from a violent lunatic amped to the gills on angel dust Incredibly the seaside sands were still much safer than the anarchic downtown streets of Oceanside California Little wonder the street cops unofficial motto for the town was Where the Debris Meets the Sea Are you in the mood for another utterly insensitive grotesquely funny and brutally honest stroll down memory alley In this sequel to the first volume of his well received memoirs Service With a Sneer retired homicide detective and author John J Lamb shares a new collection of insightful and riveting tales from his remarkable police career Lamb takes the reader back four decades and to his days as a young street cop with the Oceanside Police Department Nowadays the city is an upscale tourist destination drawing visitors from around the globe Back then it was one of the most violent municipalities in California with a sky high homicide rate Armed street robberies were commonplace vicious assaults occurred on an almost daily basis street gang violence was the norm and people were murdered for the flimsiest of reasons But for Lamb a self confessed adrenaline junkie policing the pitiless streets of Oceanside and dealing with the feral human inhabitants was the most fun he ever had with his clothes on In this second volume of his anecdotal memoirs we follow his continuing journey as he transitions from a tough and competent street cop to a skilled CSI whose exceptional performance begins to attract the attention of homicide detectives As with the first volume the book begins with a warning that SNAGs Sensitive New Age Guys Gals should avoid reading any further to avoid upset and severe emotional trauma Next comes a glossary of deliciously ironic and enlightening California cop jargon from the early 1980s Learn the meanings of Screen Test H U A and Bus Therapy to name just a few Lamb's stories include The closest he ever came in his life to winning the Darwin Award Tales of savage hand to hand combat with berserk and violent PCP users in an era before Tasers and other less lethal measures existed How he deliberately violated every element of hostage negotiation protocols in order to get a barricaded gunman to surrender to police The tense account of how he pulled a drowned toddler from a swimming pool and used CPR to restore the child to life His discovery of a vicious and life threatening attack that led to the rescue of two young women and the arrest of a brutal sexual predator And how he came to regret prematurely stopping a man from repeatedly punching a sanctimonious fellow police officer As always Lamb's stories are riveting thought provoking occasionally revolting educational surreal heartrending and often rich with macabre humor Above all they are true Against the Grain, 2004 *A Walking Distance* Robert Ortiz, 2007-10 *A Walking Distance* is an autobiography that takes you from a small growing border town in south Texas to the Middle East Along the way the story derives from growing up in the hardships of a low income family and the dream of a young man searching for a purpose while divided between religion race and the choices in life He learns and grows by staying away from the constant drugs and gangs in school only to find the association he wanted in the football team After being a part of an up and rising successful Texas high school football program his experience in the football stardom takes him one step higher to the hardest task he had ever

come across as he joins the elite fighting force in the United States Marines He quickly learns that the Marine Corps is not at all what he expected as he lives the life of a marine and is flown overseas to fight in the Iraq War A Walking Distance truly takes you for a ride as the road twists and turns towards an indefinite conclusion The author carries you from Laredo to the Middle East then back again in a constant cycle as he walks towards what is needed to be successful and the simple pursuit of happiness in an unseen future *Uncivilized Beasts and Shameless Hellions* John F.
