Devils Tor:

David Lindsay Gary K. Wolfe, 1982-01-01 Gary K Wolfe examines the life and work of British author David Lindsay most famous for his novels *A Voyage to Arcturus* *The Haunted Woman* and *The Devil s Tor* *Starmont Reader s Guide 9* *The bounds of the forest of Dartmoor* Arthur Bancks Prowse, 1892 *Devil's Tor* David Lindsay, 1978 1930s occult philosophical novel about the fated coming together of a man and a woman to reinstate the worship of the Great Mother and move humankind into a new era *Vexed with Devils* Erika Gasser, 2019-12-15 Stories of witchcraft and demonic possession from early modern England through the last official trials in colonial New England Those possessed by the devil in early modern England usually exhibited a common set of symptoms fits vomiting visions contortions speaking in tongues and an antipathy to prayer However it was a matter of interpretation and sometimes public opinion if these symptoms were visited upon the victim or if they came from within Both early modern England and colonial New England had cases that blurred the line between witchcraft and demonic possession most famously the Salem witch trials While historians acknowledge some similarities in witch trials between the two regions such as the fact that an overwhelming majority of witches were women the histories of these cases primarily focus on local contexts and specifics In so doing they overlook the ways in which manhood factored into possession and witchcraft cases *Vexed with Devils* is a cultural history of witchcraft possession phenomena that centers on the role of men and patriarchal power Erika Gasser reveals that witchcraft trials had as much to do with who had power in the community to impose judgement or to subvert order as they did with religious belief She argues that the gendered dynamics of possession and witchcraft demonstrated that contested meanings of manhood played a critical role in the struggle to maintain authority While all men were not capable of accessing power in the same ways many of the people involved those who acted as if they were possessed men accused of being witches and men who wrote possession propaganda invoked manhood as they struggled to advocate for themselves during these perilous times Gasser ultimately concludes that the decline of possession and witchcraft cases was not merely a product of change over time but rather an indication of the ways in which patriarchal power endured throughout and beyond the colonial period *Vexed with Devils* reexamines an unnerving time and offers a surprising new perspective on our own using stories and voices which emerge from the records in ways that continue to fascinate and unsettle us *England* Findlay Muirhead, 1923 **A Perambulation of the antient and Royal Forest of Dartmoor and the Venville Precincts** Samuel ROWE (Vicar of Credition.), 1856 **Mythprint** ,2000 **Black's Guide to Devonshire** Adam and Charles Black (Firm), 1895 **Black's Guide to Devonshire** ,1883 **Guide to Devonshire** Adam and Charles Black (Firm), 1898 **The Year's Best Science Fiction: Twenty-Second Annual Collection** Gardner Dozois, 2005-07 Science fiction More than two dozen outstanding tales written in the previous year **History of Civilization in England** Henry Thomas Buckle, 1878 *History of Civilization in England* Buckle, 1891 **The Blue Guides England** ,1920 **A Perambulation of the Antient and Royal Forest of Dartmoor**
