Devotion Explosion Stephen Schwambach,2000-12 Stephen Schwambach is about to take you on a breathless roller coaster ride that mixes gut wrenching honesty with outrageous humor Before he s though with you you are going to be hooked on an exciting addictive new way of experiencing God every ingle day of your life What s more you ll discover that every Devotion Explosion Secret the author shares is based on a rock solid principles mined directly from the Bible If you love God but can t string together 30 straight days of devotions to save your life Devotion Explosion is for you **An Essay on the Theory and Practice of the Christian Religion** P. Benson,1903 *The London Gazette* Great Britain,1916 *The School review* ,1903 **The Telegraph and Telephone Journal** ,1917 *Between a Church and a Hard Place* Andrew Park,2010-03-04 Read Andrew Park s post on the Penguin Blog At age thirty five Andrew Park hit a parenting snag Teaching his children about ethics good manners and how to shoot a free throw posed no problem When they started asking about religion he came up empty handed Raised in a faith free family where teenage rebellion meant being born again as an evangelical Christian as his brother did Park always believed he d be a nonbeliever And his lapsed Christian wife thought the same But when his children ask if God is real he knows it is his responsibility to try and find the answer *Between a Church and a Hard Place* is the often funny yet deeply tender story of that quest It follows the author as he tries to reconcile his upbringing with the demands and liabilities he faces as a young father He realizes with alarming clarity that if he doesn t provide some answers someone else gladly will As he searches for middle ground Andrew Park addresses the hot button questions surrounding faith and freedom and explores the polar reaches of religion in America Along the way he uncovers what it means to embrace faith or not while still being a good role model and more important still being true to himself
