Diamond Dust Stories:

Diamond Dust Anita Desai, 2000-05-19 A collection of stories stretching from India to New England to Mexico from the author of *Fasting Feasting* an undeniable genius *The Washington Post Book World* The men and women in these nine tales set out on journeys that suddenly go beyond the pale or surprisingly lead them back to where they started In the mischievous title story a beloved dog brings nothing but disaster to his obsessed master in other tales old friendships and family ties stir up buried feelings demanding either renewed commitment or escape And in the final exquisite story a young woman discovers a new kind of freedom in Delhi's rooftop community This is a richly diverse quiet but deeply satisfying collection of stories from a three time Man Booker Prize finalist *Kirkus Reviews* Anita Desai is one of the most brilliant and subtle writers ever to have described the meeting of eastern and western culture Both serious and wonderfully entertaining Alison Lurie Pulitzer Prize winning author of *Foreign Affairs* Served up with characteristic perspicuity subtle humor and attention to the little hypocrisies of the middle class *Publishers Weekly*

Diamond Dust: Stories Anita Desai, 2000-05 Gathering together radiant new stories *Diamond Dust* travels from India to the American Northeast deftly exploring the tensions between social obligation and personal independence between old traditions and new

Collected Stories Anita Desai, 2012-10-19 Buried resentments unexpected disappointments new friendships small acts of cruelty journeys that take you back to where you started With trademark compassion and tender irony Anita Desai's short stories give us familiar worlds made unfamiliar to wonderful effect An ageing couple is stranded in a stultifying Delhi summer by the visit of a roguish old Oxford friend who trades on his charm an American woman turns to hippies living in the Indian hills homesick for the farmlands of Vermont a dog terrorizes the neighbourhood but is cherished by his stern master a Delhi girl of slender means finds a new kind of freedom with her young friends in her barsati home a peaceful game of hide and seek turns into a nightmare a businessman sees his own death In one masterly volume for the first time ever here are Anita Desai's collected stories including *Diamond Dust* and *Games at Twilight*

Diamond Dust Anita Desai, 2000 Whole lives come into focus in this rich and diverse collection as Desai shines her luminous spotlight on private universes from India to Canada and New England from Cornwall to Mexico Her protagonists set forth on journeys and find themselves suddenly beyond the pale or surprisingly back where they started Caught up in cycles of hope and disappointment their lives are ruled by the seasons at the mercy of heat and dust or straightjacketed by the conventions of hospitality friendship and family In the title story a beloved dog black as Satan brings nothing but disaster In another a businessman away from home sees his own death Elsewhere old relationships stir up buried resentments issues demand commitment or escape And in the final masterpiece one of Delhi's girls of slender means finds a kind of joy and freedom in a strange rooftop community Desai writes beautifully with humour and delicacy charm and compassion about ordinary lives in a disconcerting world

Dorsch,2018 **Chinese Narratology II** Yang Yi,2023-11-30 As the second volume of a two volume set on Chinese narratology this title investigates the quintessential characteristics of the Chinese narrative style with a focus on image and perspective The first chapter introduces two opposing concepts of perspective focalization and blind spot to connect perspective with traditional aesthetics highlighting the mutual relation of the nonexistent and the existent The author believes that both the narrator and perspective are central to the narrative forms and strategies adopted by Chinese writers and that study of the narrator and perspective is integral to understanding the cultural aesthetic and philosophical connotations of the narrative text and the spiritual world of the author Drawing on perceptual phenomenology the chapter on image broadens the extant knowledge of image and points out that image narration is unique to Chinese narratology and central to Chinese aesthetics The final chapter illustrating the achievements of influential critics of classical Chinese novels proving that these critics have contributed to the canonization of the genuine masterpieces of Chinese narrative literature The book is a must read for scholars and students interested in narrative theory Chinese culture and literature and dialogue between Chinese and Western narratological studies **The Fiction of Anita Desai: From escapism to realism : a study of in custody** Suman Bala,D.
