All Hallows Evil:

Mystery Women, Volume Two (Revised) Colleen Barnett, 2011-12-31 Many bibliographers focus on women who write. Lawyer Barnett looks at women who detect at women as sleuths and at the evolving roles of women in professions and in society. Excellent for all women's studies programs as well as for the mystery hound. Look at the popularity of such reading guides as Willetta Heising's *Detecting Women* 3rd ed 0 9644593 7 X or Amanda Cross fiction *Honest Doubt* 0 345 44011 0 11 00. *To Follow the Moon* Kaia Svien, 1999. **Dark Angels** Karleen Koen, 2006-09-05 The long awaited prequel to Koen's beloved *Through a Glass Darkly*. *Dark Angels* is a feast of a novel that sparkles with all the passion, extravagance, danger, and scandal of seventeenth century England. Alice Verney is a young woman intent on achieving her dreams. Returning to England after a messy scandal forced her to flee to Louis XIV's France, Alice is anxious to re-establish herself by regaining her former position as a maid of honor to Charles II's queen and marrying the most celebrated duke of the Restoration. But all is not as it seems in the rowdy, merry court of Charles II. Since the Restoration, old political alliances have frayed and there are whispers that the king is moving to divorce his barren queen, who some wouldn't mind seeing dead. Alice, loyal only to a select few, is devoted to the queen and so sets out to discover who might be making sinister plans, and if her own father is one of them. When a member of the royal family dies unexpectedly, the stakes are raised. As Alice steps up her efforts to find out who is and isn't true to the queen, she learns of shocking betrayals throughout court and meets a man who she may fall in love with and who could spoil all of her plans. With the suspected arrival of a known poison maker, the atmosphere in the court electrifies and suddenly the safety of the king himself seems uncertain. Secret plots are at play and war is on the horizon, but will it be with the Dutch or the French? And has King Charles himself betrayed his country for greed? Unforgettable in its dramatic force, here is a novel of love and politics, of romance and betrayal, of power and succession, and of a resourceful young woman who risks everything for pride and status in an era in which women were afforded little of either.

Formational Children's Ministry (ēmersion: Emergent Village resources for communities of faith) Ivy Beckwith, 2010-01-01 Much ministry to children looks more like mere entertainment than authentic spiritual formation. But what if children's ministries were rooted in a mind set whereby we taught children with our words and actions how the story of God, the story of church history, the story of the local community, and the story of the child intersect and speak to one another? What if children's ministry was less about downloading information into kids' heads and more about leading them into these powerful, compelling stories? Beckwith aims to help ministers and parents create a ministry that captures children's imaginations, not just to keep them occupied but to live as citizens of the kingdom of God. In addition to providing theological reasons for formational children's ministry, the book offers examples of how Ivy and other practitioners are implementing a formational model. **Sleuths in Skirts** Frances A.
