Devil Talk Stories:

Talk of the Devil Maximilian J. Rudwin, 2010-10 Twenty four irresistibly tempting tales of sinful reading pleasure Talk of the Devil the old saying goes and he is sure to appear Indeed here for your entertainment is Lucifer Satan Beelzebub Old Nick the Lord of the Flies these are but five of the many names and titles that mankind has bestowed upon the Devil the Prince of Evil the dark figure who stands farthest away from the shining moral example of Godhead Predictably such a powerful figure deeply embedded in the psyche of many cultures has had an abiding fascination for writers since the earliest days of the written word and inevitably he has also become an essential component of folk tales in many countries It is well noted that the characteristics of a hero are the same the world over but if you need a really interesting personality then the villain can deliver satisfaction every time This Leonaur book is a unique and special collection of classic short stories featuring the Devil himself by a dazzling array of renowned exponents of penmanship including Irving Gogol Thackeray Poe Baudelaire Hawthorne and many others At its heart is a previously published collection entitled Devil Stories edited by Maximilian Rudwin However this Leonaur edition benefits from the addition of five more tales of dark temptation and dastardly deeds for your enjoyment Available in soft cover and hardcover with dust jacket

Devil Talk Daniel A. Olivas, 2004 In the short stories that fill these pages men and women confront evil in all its forms drama and even humor against a backdrop of Chicano and Mexicano culture Situations range from the bizarre to the very real In Sight a young man is allowed to see exactly what his girlfriend is doing when she leaves their home A botched robbery in Jorge Get the Gun leads to murder the same day JFK is buried In the end Devil Talk shocks amuses and tantalizes as it explores human passions and the corruption we valiantly attempt to avoid as we wander through life Anything can happen in one of Daniel Olivas stories These are disorienting sometimes disturbing but always entertaining tales told by a master folk teller who knows we would much rather listen to the devil talk than hear an angel sing Rob Johnson editor *Fanamas Supernatural Stories* by Mexican American Writers

Devil Stories Maximilian J. Rudwin,2024-01-25 Of all the myths which have come down to us from the East and of all the creations of Western fancy and belief the Personality of Evil has had the strongest attraction for the mind of man The Devil is the greatest enigma that has ever confronted the human intelligence So large a place has Satan taken in our imagination and we might also say in our heart that his expulsion therefrom no matter what philosophy may teach us must for ever remain an impossibility As a character in imaginative literature Lucifer has not his equal in heaven above or on the earth beneath In contrast to the idea of Good which is the more exalted in proportion to its freedom from anthropomorphism the idea of Evil owes to the presence of this element its chief value as a poetic theme The discrowned archangel may have been inferior to St Michael in military tactics but he certainly is his superior in matters literary The fair angels all frankness and goodness are beyond our comprehension but the fallen

angels with all their faults and sufferings are kin to us There is a legend that the Devil has always had literary aspirations The German theosophist Jacob Böhme relates that when Satan was asked to explain the cause of God's enmity to him and his consequent downfall he replied I wanted to be an author Whether or not the Devil has ever written anything over his own signature he has certainly helped others compose their greatest works It is a significant fact that the greatest imaginations have discerned an attraction in Diabolus What would the world's literature be if from it we eliminated Dante's Divine Comedy Calderón's Marvellous Magician Milton's Paradise Lost Goethe's Faust Byron's Cain Vigny's Eloa and Lermontov's Demon Sorry indeed would have been the plight of literature without a judicious admixture of the Diabolical Without the Devil there would simply be no literature because without his intervention there would be no plot and without a plot the story of the world would lose its interest Even now when the belief in the Devil has gone out of fashion and when the very mention of his name far from causing men to cross themselves brings a smile to their faces Satan has continued to be a puissant personage in the realm of letters As a matter of fact Beelzebub has perhaps received his greatest elaboration at the hands of writers who believed in him just as little as Shakespeare did in the ghost of Hamlet's father
