Devil Girl From Mars:

Keep Watching the Skies! Bill Warren, 2009-11-30 Bill Warren's *Keep Watching the Skies* was originally published in two volumes in 1982 and 1986. It was then greatly expanded in what we called the 21st Century Edition with new entries on several films and revisions and expansions of the commentary on every film. In addition to a detailed plot synopsis, full cast and credit listings, and an overview of the critical reception of each film, Warren delivers richly informative assessments of the films and a wealth of insights and anecdotes about their making. The book contains 273 photographs, many rare, 35 in color, has seven useful appendices, and concludes with an enormous index. This book is also available in softcover format. ISBN 978 1 4766 6618 1

Octavia E. Butler Gerry Canavan, 2016-10-31 I began writing about power because I had so little. Octavia E. Butler once said Butler's life as an African American woman, an alien in American society, and among science fiction writers informed the powerful works that earned her an ardent readership and acclaim both inside and outside science fiction. Gerry Canavan offers a critical and holistic consideration of Butler's career. Drawing on Butler's personal papers, Canavan tracks the false starts, abandoned drafts, tireless rewrites, and real-life obstacles that fed Butler's frustrations and launched her triumphs. Canavan departs from other studies to approach Butler first and foremost as a science fiction writer working within, responding to, and reacting against the genre's particular canon. The result is an illuminating study of how an essential SF figure shaped themes, unconventional ideas, and an unflagging creative urge into brilliant works of fiction. **Devil Girl**

from Mars Hazel Court, Hugh MacDermott, David MacDonald, John C. Mather, 2000 Revisionaries Kristopher Jansma, 2024-10-15 Find creative inspiration in this fascinating rummage through the wastebaskets, secret diaries, and abandoned files of 20 literary superstars. If you like to write, whether it's a pastime, a passion, or a profession, you've probably found yourself reading something brilliant and thinking, "I could never do this. I might as well give up." But if there's one thing every great author has in common, it's this: they've all written some hot garbage. In *Revisionaries*, a writing expert takes you on an engrossing tour through the discarded drafts, false starts, and abandoned projects of influential writers. In the process, he dismantles some of our most deeply held and most suffocating ideas about what it takes to produce great creative work. You'll learn that Franz Kafka lacked confidence, Octavia Butler had writer's block, F. Scott Fitzgerald wrote bad drafts, Ralph Ellison got overwhelmed, Louisa May Alcott got off to a bad start. And more deep, dark secrets about the authors you most admire. Written by an award-winning novelist and creative writing professor, *Revisionaries* is a compelling peek behind the scenes of genius for writers and readers alike. **Everything But Typical** Margeaux Weston, 2025-09-23 A celebration of remarkable neurodivergent people: entertainers, game developers, businesspeople, athletes, writers, and more who have found their path to individual success.
