Devil In The Flesh:

The Devil in the Flesh Raymond Radiguet, 1923 He belonged to the solemn race of men whose lives unfold too quickly to their close Jean Cocteau *The Devil in the Flesh* one of the finest most delicate love stories ever written is set in Paris during the last year of the First World War The narrator a boy of sixteen tells of his love affair with Martha Lacombe a young woman whose soldier husband is away at the front The liaison soon becomes a scandal and their friends horrified and incredulous refuse to accept what is happening even when the affair reaches its tragic climax In the film *Le Diable au Corps* with Gerard Philipe and Micheline Presle Claude Autant Lara recreated this story of the First World War with nostalgic tenderness His sensitive dramatization treats the affair with such delicacy that many critics consider the love scenes to be among the most beautiful ever photographed The film won the Grand Prix and the International Critics Prize Raymond Radiguet wrote *The Devil in the Flesh* between the ages of sixteen and eighteen about his own adolescent love affair with an older woman He died from typhoid fever at the age of twenty His only other novel is *Comte d'Orgel* also available from Marion Boyars Publishers a triumph of the poetic intelligence a masterpiece *New Statesman* **The Devil in the Flesh** Raymond Radiguet, 1923 **The Devil in the Flesh** Raymond Radiguet, 1982 **Devil in Flesh** Raymond Radiguet, 1959-10-01 *The Devil in the Flesh* one of the finest most delicate love stories ever written is set in Paris during the last year of the First World War The narrator a boy of 16 tells of his love affair with Martha Lacombe a young woman whose soldier husband is away at the front With an accuracy of insight that is almost ruthless he describes his conflicting emotions the pride of an adolescent on the verge of manhood and the pain of a child thrust too fast into maturity The liaison soon becomes a scandal and their friends horrified and incredulous refuse to accept what is happening even when the affair reaches its tragic climax Cody Coffey, 2009-11 I wrote this book because I feel there is a reason for all that is going on in the world a cauldron of misery suffering anguish and strife Everyone is caught up in it and those who feel they are not or feel they have an educated reason and philosophy for what they see are not seeing the bigger picture Most people come up with the biggest most elaborate questions and answers but most do not tap into another reason or meaning for what life is about and what is transpiring What if there is a very deeper meaning deeper purpose besides the basic fundamentals of life that we know of and our purpose here What if everything we say do and think about are just conforming to our own selfish reasons I am trying to put forth the argument of what the real reasons are The answers so many accept and try to figure out based on nothing else but the theoretical speculation and trial and error The most brilliant minds in the world the most compelling arguments explanations and theories have played and still play a major role into where we are where we are going and what we have reduced ourselves to While many may look to rationalize an incoherent world with rational thought many are ignoring what could be a devastating calamity taken place right under our noses Something so subtle that it is less resound than a feather hitting the ground half way around the world yet would have the impact to wipe out humanity or create hell on
