The Gatekeepers Jacques Steinberg, 2003-07-29 In the fall of 1999 New York Times education reporter Jacques Steinberg was given an unprecedented opportunity to observe the admissions process at prestigious Wesleyan University Over the course of nearly a year Steinberg accompanied admissions officer Ralph Figueroa on a tour to assess and recruit the most promising students in the country The Gatekeepers follows a diverse group of prospective students as they compete for places in the nation's most elite colleges The first book to reveal the college admission process in such behind the scenes detail The Gatekeepers will be required reading for every parent of a high school age child and for every student facing the arduous and anxious task of applying to college The Gatekeepers provides the deep insight that is missing from the myriad how to books on admissions that try to identify the formula for getting into the best colleges I really didn't want the book to end The New York Times **Catalog of Copyright Entries.
