*HUMAN-WISE* Helen Wada,2026-03-02 Can we be both commercially focused and human at work We talk a lot about human centric leadership putting people culture and inclusivity at the heart of business Yet in today s competitive world success is still often associated with being results focused and aggressive which can seem like the opposite of human Is it possible to put humanity at the heart of what we do without sacrificing performance Drawing upon coaching principles *HUMAN WISE* offers a unique practical framework to help you explore these ideas for yourself and then apply them to others around you Helen Wada is an experienced business development leader and executive coach who specializes in developing human centric commercial leaders With her business *The Human Advantage* she brings core coaching skills to life linking them to a commercial focus This book will transform how you approach conversations and help you build the resilience you need to be successful in business and in life *HUMAN WISE* is an essential read for any leader looking to develop themselves grow their business and build a more human working world [How to Be a Parent Champion and Add Magic to Your Family](#) Alan Wilson,2011 Every purchaser has free access to monthly community calls to share challenges successes and practice new skills as they work through the book Parent Child Relationships are tricky to understand and gradual changes in your

relationship with your child can go unnoticed Children s behaviour and attitudes can make parents feel remote and unheard at a loss to understand their child s performance at school their child s lack of attention self care or respect for others Desperate to provide the best life chance s for their child parents are often advised to focus on the child but the harder the parent tries to help the harder the child pushes back As their child grows a happy family life becomes a more distant memory Rebellious teenage years may be traditional but a bad relationship with your teenager is not inevitable You can be happy and comfortable being a natural parent seeing your children from a different perspective capable and confident in meeting challenges Schools Aware Campaign Alan Wilson s second book How to be a Parent Champion and add magic to your family is the lynchpin of the approach he s bringing to schools helping them to let parents know there is a way to contribute to improving their child s outlook that they don t have to rely entirely on the resources of the school to manage behaviour and attitudes to learning and attainment That perhaps it isn t necessary for behaviour to attract the attention of specialists before you can improve the attention and behaviour of your child If you re a parent teacher or governor and think your school would welcome an approach to explain how we can work together to promote strong parent child relationships as a method for behavioural change increased engagement and attainment please contact Alan at parentchildrelationships gmail com and he ll prioritise accordingly It s more than a self help book because it comes with free ongoing support at <http://parentchildrelationships.co.uk>
