Why Christian Kids Rebel Tim Kimmel,2004-10-18 Author of Grace Based Parenting and the best selling Little House on the Freeway Dr Tim Kimmel helps Christian parents avoid the potential problems their well meaning parenting styles could create This book offers a new way to look at the ideal Christian home and shows why cocoon style Christian homes don t always work Many parents have done it all when it comes to the checklist of good Christian parenting only to see their son or daughter step away from their belief system and embrace other lifestyle choices Dr Kimmel helps to increase the chances that your children will develop a vibrant faith early in life and stick with it on into adulthood It will also provide help and hope for those already dealing with a rebellious teen and teach them how to lead the child back into a walk of faith

Images of the Child Harry Edwin Eiss,1994 This collection of articles on images of the child offers an excellent range of perspectives on an equally wide range of concerns including advertising girls book series rap music realistic fiction games dolls violence and movies Taken together as a book this collection confirms the complexity of the world of childhood and demonstrates how strongly images of the child reflect the entire culture For example in the traditional nursery rhyme Humpty Dumpty sat on a wall Humpty Dumpty had a great fall All the king s horses and all the king s men Couldn t put Humpty together again Father Gander a popular rewriting of the traditional nursery rhymes meant to remove what some highly vocal adults see as negative sexual classist and violent images changes it Humpty Dumpty sat on a wall Humpty Dumpty had a great fall All of the horses the women and men Helped put Humpty together again In the meantime a current playground version goes Humpty Dumpty sat on a wall Humpty Dump had a great fall All the king s horses and all the king s men Stepped on him Thus the images of the child become ever more elusive What does the future hold
