He is fully convinced that the material belongs to the Universe and was intuited to him for his evolution and that of others. Often he was inspired by his materials as if they were not his. The author experienced many awakening moments while channelling the wisdom shared in this book. A state of vibration known as the Divine vibration is something our soul searches for naturally. It is fulfilling and is placed at the highest rank as a highly positive experience by our core self. Divine Vibration is everywhere. All we need to do to experience it is to tune in to that vibration. We have a powerful tuning machine called the mind. This mind can tune in to any vibration from revenge to love, grief to bliss, poverty to prosperity and demonic to divine. We must be skilled enough to steer it in the right direction. This book will help tune you to experience the divine vibration that is both fulfilling and healing. I could feel the transmission of divine energy through the words and ideas presented here. If you are reading this book and feeling the auspiciousness, then it is meant for you. Please be in the right frame of mind to receive it. How? Why? This book was born from the author's direct experiences and deep contemplations that led to deep insights during special moments in his life. It also has a compilation of materials shared in a monthly Mind Purification Study Circle that the author has conducted since 2010. The idea flow originated from moments of profound clarity that surfaced with high conviction and authenticity. The author was long involved in philosophy and self-knowledge which in a way ordained him to guide others on matters of the mind/self. Many seek guidance from him on life issues and mind matters, and he has helped provide greater clarity, wisdom, and the proper counsel that elevated them. The author believes that an element called Life Intelligence is unfolding itself to its parts through the readers through its terminal author to know itself as it is timely. What is it about? This book can potentially trigger the transcendental space within the reader, creating meditateness that heals the mind and opens up the SPACE of enlightenment. Enlightenment here means a state of clarity or the dispelling of illusion. This book is not about TRUTH. Words are not only inadequate to talk about TRUTH, but it is simply impossible. It is just a translator. Vasu Dev PUBLISHER TEKTIME. The Open Court Paul Carus, 1921 vols 46-47 have special title New Orient Society monograph. *The Three Christs of Ypsilanti* Milton Rokeach, 2011-04-19. NOW A MAJOR MOTION PICTURE. This landmark case study of three schizophrenic patients offers a rare and eccentric journey into madness, shining a light on the ethical dilemmas of institutionalized care in the mid-20th century. Slate. On July 1, 1959, at Ypsilanti State Hospital in Michigan, the social psychologist Milton Rokeach brought together three paranoid schizophrenics: Clyde Benson, an elderly farmer and alcoholic; Joseph Cassel, a failed writer who was institutionalized after increasingly violent behavior toward his family; and Leon Gabor, a college dropout and veteran of World War II. The men had one thing in common: each believed himself to be Jesus Christ. Their extraordinary meeting and the two years they spent in one another's company serves as the basis for an investigation into the nature of human identity, belief, and delusion that is poignant, amusing, and at times disturbing. Displaying the sympathy and subtlety of a gifted novelist, Rokeach draws us into the lives of three troubled and profoundly different men who find themselves confronted with the ultimate contradiction conceivable for human beings: more than one
