Countdown To Winning Bridge:

Countdown to Winning Bridge Tim Bourke, Marc Smith, 1999 Did you ever notice how the bridge experts always seem to know where every card is How their finesses always seem to succeed How their guesses are nearly always perfect This book won't teach you to play quite that well but it will introduce you to some very simple techniques that the experts use on play and defense As declarer or defender counting the hand is the one thing that will help you the most But how do you keep track of all those cards This book will show you how explaining the tricks of the trade and helping anyone who can count to thirteen to become a much better player Full of practical examples of how to apply the information you get from counting this book is sure to improve your game

Win the Bermuda Bowl with Me Jeff Meckstroth, Marc Smith, 2001 A unique over the shoulder look at the thought processes of one of the world's best players as Jeff Meckstroth takes the reader through the highs and lows of winning the Bermuda Bowl the world teams championship Written in the style of Terence Reese's classic Play Bridge with Reese this book gives readers a chance to make their own decisions at critical stages in each deal and compare their solutions with the authors The narrative does not follow any specific world championship event but all the deals are ones that Meckstroth actually played in Bermuda Bowl competition Meckstroth is regarded as one of the top half dozen players in the world as his first book this title will attract a great deal of attention

Challenge Your Declarer Play Danny Roth, 2000 So you think you're a good declarer Most books on play take you up to the critical moment in a hand and then ask you to find the winning continuation But at the table there is nobody to give you that all important nudge when an unexpected or difficult play is required and that's the way the hands are presented in this book The collection of problems here will test those who are confident they are good declarers and will enable more modest readers to improve their game
