Alexander Hamilton Creating A Nation:

Alexander Hamilton Zachary Kent,2004 Alexander Hamilton certainly earned his place as a member of the founding fathers During the Revolutionary War he was an army officer After the war he attended the Constitutional Convention He was proud to be one of the signers of that document To persuade other Americans of the importance of the Constitution he organized the writing of The Federalist Hamilton s influence was critical in getting the Constitution accepted In this book author Zachary Kent explains just how important Alexander Hamilton was to the United States President George Washington chose Hamilton to be the first Secretary of the Treasury His policies helped start the United States along the road to economic success Alexander Hamilton s impact has been so great we still honor him today No one could ever have guessed that a boy who started his life so humbly could rise to such heights of greatness Book jacket [Alexander Hamilton's Economic Plan](#) Ryan P. Randolph,2003-12-15 1 Copy *Alexander Hamilton and the Growth of the New Nation* John Chester Miller, Here is the premier biography of Alexander Hamilton written by one of the foremost scholars of early American history Miller weaves together the complex facets of Hamilton s life to make a vivid absorbing biography **Alexander Hamilton and the Founding of the Nation** Alexander Hamilton,1957 **Alexander Hamilton: Nation Builder** Nathan Schachner,2022-08-16 In *Alexander Hamilton Nation Builder* Nathan Schachner meticulously chronicles the life and legacy of one of America s founding fathers unveiling the multifaceted character of Hamilton as a visionary statesman and pragmatic administrator Employing a narrative style that marries biographical detail with incisive historical analysis Schachner situates Hamilton within the tumultuous political landscape of late 18th century America exploring his instrumental role in shaping the nation s financial and political frameworks The work adeptly interweaves Hamilton s personal ambitions with broader national themes delving into his influence on the Constitution the establishment of a national bank and the perpetuation of federalism in a fledgling republic fraught with division Nathan Schachner a notable historian and biographer draws upon a wealth of primary sources and scholarly interpretations reflecting a deep seated admiration for Hamilton s intellectual rigor and unyielding spirit His scholarly background and passion for American history illuminate the motives behind Hamilton s bold policies and reveal how the interplay of personal experiences and ideological convictions informed his visionary approach to governance This insightful biography is a compelling read for anyone interested in the complexity of American political history and the lives of its architects Schachner s portrayal of Hamilton as a nation builder reminds us of the enduring conflicts and aspirations that shape our political landscape making this book essential for historians political scientists and general readers alike [Alexander Hamilton](#) Teri Kanefield,2017-03-07 Award winning author Teri Kanefield s biography of Alexander Hamilton for young readers is the first in the Making of America series The America that Alexander Hamilton knew was largely agricultural and built on slave labor He envisioned something else a multi racial urbanized capitalistic America with a strong central government He believed that such an America would

be a land of opportunity for the poor and the newcomers But Hamilton s vision put him at odds with his archrivals who envisioned a pastoral America of small towns where governments were local states would control their own destiny and the federal government would remain small and weak The disputes that arose during America s first decades continued through American history to our present day Over time because of the systems Hamilton set up and the ideas he left his vision won out Here is the story that epitomizes the American dream a poor immigrant who made good in America In the end Hamilton rose from poverty through his intelligence and ability and did more to shape our country than any of his contemporaries Related subjects and concepts discussed in the book include Law and Legal Concepts Due Process Bill of Rights Freedom of Speech and the Press Originalism Nonoriginalism theories of constitutional interpretation Government Checks and Balances Democracy Electoral College Republic Financial Concepts Capitalism Credit Inflation Interest Mercantilism Securities Stocks and Bonds Tariffs Taxes Miscellaneous Demagogues Dueling Pastoralism Includes archival images About the Series The Making of America series traces the constitutional history of the United States through overlapping biographies of American men and women The debates that raged when our nation was founded have been argued ever since How should the Constitution be interpreted What is the meaning and where are the limits of personal liberty What is the proper role of the federal government Who should be included in we the people Each biography in the series tells the story of an American leader who helped shape the United States of today The Making of America Series Alexander Hamilton 1 Andrew Jackson 2 Abraham Lincoln 3 Susan B Anthony 4 Franklin D Roosevelt 5 Thurgood Marshall 6
