Cosmas,2018-10-30 What it means to be Greek In Opa author Arthur Cosmas presents a loving portrait of what it was like to be brought up as a Greek American in the Greek community in the United States during the 1950s Some of the topics the author covers include the Greek family Greek holidays and religion the Mediterranean diet healthy as well as unhealthy the agora assimilation chaos superstitions and the evil eye In this engaging and lovable portrayal of Greeks the author relates facts about Greek culture and then brings these elements to life through true life anecdotes about his family Entertaining and informative Opa is a look into Greek heritage and traditions This delightful book will make you laugh it might revive affectionate memories of what it was like for you growing up and it will remind you that we are all more alike than we are different Alexis Zorba Nikos Kazantzakis,Biblioteca de Catalunya,1943 *Spiritual Films* Jim Piper,2012-10-25 For decades centuries even when people thought of spirituality they thought only of religion I aim to stretch the tent of spirituality in this e book to include secular experience My particular approach to secular spirituality is through the medium of film Characters in the 43 films I discuss
