**Ideology and False Consciousness** Christopher L. Pines,1993-07-01 In this book Christopher Pines demonstrates that Karl Marx conceived of ideology as false consciousness He shows how the different meanings of false consciousness found in the writings of Marx and Engels reflect the influence of the views of the Baconian French Enlightenment and of Hegelian Feuerbachian philosophies Pines argues that for Marx the diverse senses of false consciousness all generally denote a social consciousness that takes certain false things to be true regarding matters of significance to class divided societies

**The Ontological Foundation of Ethics, Politics, and Law** Francesco Belfiore,2013-03-25 The revised edition of The Ontological Foundation of Ethics Politics and Law adds new concepts and discusses the views of additional thinkers The author refers to his basic ontological conception of the human mind or spirit as an evolving conscious triadic entity composed of intellect sensitivity and power each exerting a bidirectional selfish and moral activity Through this approach the notions of good morality society and law are derived from the structure and functioning of the mind It follows that the solutions presented are the results of a discovery and not the consequence of a choice Otherwise stated ethics politics and law are given an ontological foundation For each topic considered Belfiore shows how his thought can reinterpret the views of other philosophers This new edition enriched in concepts and quotations appears as an innovative and highly stimulating contribution to the philosophical branches of ethics politics and law and will be of interest to both graduate students and philosophy scholars

**HyperHumanity** Mike Hockney,2013-07-28 Humanity is a single biological species but has split into two different mental species labelled Mythos and Logos The Mythos species is driven by emotional stories not by facts evidence or rational arguments Even scientific materialism is a Mythos the sensory Mythos which asserts that rational unobservables undetectable by the senses simply cannot exist The Enlightenment the Age of Reason was when Logos humanity came to the fore HyperHumanity is the upgrade of Logos humanity that advocates Hyperrationalism Old Humanity stuck in its irrational Mythos past will become extinct The future is about the new human race HyperHumanity Do you belong to the Illuminated Ones the Shining Ones the Divine Ones or are you on your knees to some story book God an irrational market or irrational devotion to your physical senses HyperHumanity is not here to help Old Humanity It is here to replace it We are the true human race that which seeks to claim its rightful prize divinity

**Atonement** Thomas F. Torrance,2025-09-30 This companion volume to T F Torrance s Incarnation The Person and Life of Christ presents the

material on the work of Christ centered in the atonement given originally in his lectures delivered to his students in Christian Dogmatics on Christology at New college Edinburgh from 1952 1978 Like the first volume the original lecture material has been expertly edited by Robert Walker complete with cross reference to Torrance s other works Readers will find this the most readable work of Torrance and together with Incarnation the closest to a systematic theology we have from this eminent theologian
