- Ethnomethodologist (who concern on CA) depicts conversation as discourse constructed and negotiated between the participants, marking the turn taking in various ways (pauses, laughter, intonation, etc). It enables the participant to orientate what is happening, and rapidly make sense of interaction.
- For discourse analyst, CA provides another way of accounting for sequences of utterances, though one apparently limited to discourse which is the mutual construction of more than one person
- For the language teacher CA provides powerful clues concerning the causes of sensation of floundering in conversation to which we referred earlier.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
