## **Courage To Change:**

**Do You Have the Courage to Change?** Dr. Walter J. Urban, 2004-05-01 This book is a breakthrough book and the first of its kind It focuses on specific reasons why people don't change Understanding the obstacles through a conscious awareness makes it easier for people to take the responsibility to change Many people offer reasons or excuses for maintaining the status quo They seldom look in the mirror and confront their issues and then challenge themselves to make the changes that they know would create a healthier lifestyle If you don't change for the better you will keep heading in the same direction and probably get worse Your old habits and patterns are reinforced each day and become harder and harder to change That's why the book offers simple suggestions of what you can do to start the changing process today These exercises will get you on the right track and help you develop discipline and new habits in which you take more responsibility for your greater well being There are no other books like this one Other books tell you what you should do to live a healthier lifestyle but lack the self-confronting issues that are clearly and simply presented in this book With this in mind the benefits of *Do You Have The Courage To Change* cannot be found anywhere else *Forty Something the Courage to Change*, 1993 A book on addiction and the recovery process *The Courage to Change* Dennis Wholey, 1984-11-28 The classic New York Times bestseller Real life stories from prominent people talking about their experiences as alcoholics As an alcoholic himself PBS host Dennis Wholey set out to collect the powerful stories of well-known people who have struggled with this disease Included in this volume are personal accounts by Jason Robards Grace Slick Sid Caesar Pete Townshend Don Newcombe Bob Welch Graham Chapman Elmore Leonard and many more Whether they come from the worlds of entertainment as actors authors comedians or musicians from politics or sports or other public lives they share the private nightmare of drinking and the hard work of recovery *The Courage to Change* also explores how alcoholism is truly a family disease Rod Steiger talks about his alcoholic mother the Reverend Jerry Falwell tells about growing up with an alcoholic father Lois Robards Sybil Carter and Florence Caesar relate their own stories as wives of alcoholics How do you know if you are an alcoholic What are the symptoms What should you do if someone in your family is an alcoholic Where is the help Is there hope With inspiration and practical advice from members of Alcoholics Anonymous this is a book that can save lives A brave and powerful work for anyone who cares about people who desire to be more knowledgeable about human behavior Leo Buscaglia author of *Living Loving and Learning* Should be required reading in every school system in America If there is an alcoholic in your life one of the best investments you can make is this book Detroit Free Press **Willing to Change** Mark Thurston, 2005 From this practical and inspirational book for people in life's transition readers are taught how to use the momentum of change to bring more meaning and purpose into their lives for an emergence of a new self *Courage to Change* Al-Anon Family Group Headquarters, 2017 Korean translation of *Courage to Change One Day at a Time in Al-Anon II B 16* *Courage to Change* Al-Anon Family Groups (Australia).
