## Easy Baseball:

Baseball Made Easy Barry M. Blackman,2017-01-09 Would you like to learn more about the game of Baseball Then **BASEBALL MADE EASY** by Barry Blackman is a must have book It is entertainingly written in simple easy to understand language and illustrated throughout The book begins with a very brief history of baseball and closes with the World Series Between those two chapters most aspects of baseball are covered The description of the ball park the equipment the rules the players their positions and responsibilities and so much more are explained for the reader to understand and enjoy the game Here is what DJ Ten Hoeve former NCAA Division 1 Pitcher at Columbia University youth coach and local Little League Commissioner had to say after reading an advance copy of **BASEBALL MADE EASY** **BASEBALL MADE EASY** for young players and Little League moms dads succeeds where so many other books about baseball basics fail Those who understand the game of baseball at a very high level when trying to introduce the game to children or new comers often lack the ability to simplify the game down to its most basic principles Barry Blackman has decoded and streamlined one of the most complex sports with rules as obscure as the infield fly into simple digestible bites perfect for anyone from a new Little League parent or fan going to their first game to the semi professional athlete As a past collegiate pitcher and now youth coach and local Little League Commissioner I can honestly say that reading this book taught me things about the game of baseball that even I didn't know And the nostalgia that Barry has infused into the book through his hand drawn sketches transport the reader to the era of baseball as America's pastime A wonderful read Baseball is a fascinating game if you know how it works The game's obscure rules subtle strategies and unique plays make for a thrilling contest between 2 teams playing in any ballpark Presented here is the minimum information that you need to enjoy America's Pastime Enjoy **Baseball's Natural** John Theodore,2006-12-01 The most detailed account of the 1949 shooting of the former Philadelphia Phillies baseball star Eddie Waitkus by an obsessed nineteen year old female fan in a Chicago hotel *Small Town Teens* ,2002 **Collecting Historical Autographs** Ron Keurajian,2016-11-19 Collecting autographs is a time honored avocation that has exploded in popularity in recent years creating a new industry with millions of autographed items for sale online Coveted signatures include those of United States presidents Civil War officers World War II heroes classical music composers and baseball stars It has been estimated that 90 percent of historical autographs on the market today are forgeries This book is a definitive guide to signature authentication for experts and beginners alike Numerous illustrations of both genuine and forged signatures are included from Ty Cobb to Abraham Lincoln to Isaac Newton to Neil Armstrong Detailed descriptions of common forgeries are given enabling collectors to make direct comparisons *The Modern Woodman* ,1922 **Latino Baseball's Finest Fielders** Mark Stewart,2002-01-01 A history of Latino baseball players in the United States along with individual biographies of current star players concentrating on fielders **Pride Against Prejudice** Joseph Moore,1988-03-03 Aware of Mr Doby's neglect by biographers Mr Moore who has been a fan of his subject ever since he

heard the Doby legend seeks to give him recognition Mr Moore effectively uses records interviews and a clear narrative style to make his points what is more persuasive in sports than an athlete s record what is more animated than public statements and their refutations and gives voice to some of Mr Doby s severest critics *Pride Against Prejudice* is a tribute to both its author and Larry Doby New York Times Book Review This is an excellent biography of Larry Doby the first black player in the American League and one of the first black managers in the major leagues Moore has done a superb job of researching Doby s life and writing about it The book is highly recommended The Sporting News As the second black major league baseball player following Jackie Robinson Larry Doby has never received the acclaim accorded to Robinson yet his experiences of segregation and racial invective and his courage and ability to excel in the face of almost overwhelming circumstances were equivalent This fascinating biography brings to light many interesting and little known facts concerning Doby s life and baseball career and his contribution as a civil rights pioneer in the American League His story is perceived as the story of the many black men who followed him into major league baseball and who shared importantly in pioneering the integration of the sport
