Chicago Poems Sandburg Carl, 1901 *Chicago Poems* Carl Sandburg, 1993 *Slow Trains Overhead* Reginald Gibbons, 2017-03-22 Few people writing today could successfully combine an intimate knowledge of Chicago with a poet's eye and capture what it's really like to live in this remarkable city Embracing a striking variety of human experience a chance encounter with a veteran on Belmont Avenue the grimy majesty of the downtown El tracks domestic violence in a North Side brownstone the wide eyed wonder of new arrivals at O'Hare and much more these new and selected poems and stories by Reginald Gibbons celebrate the heady mix of elation and despair that is city life With *Slow*

American Poetry and the Architectural Imagination Jo Gill, 2023 *Modern American Poetry and the Architectural Imagination*
The Harmony of Forms assesses the relationship between architectural and poetic innovation in the United States across the twentieth century Taking the work of five key poets as case studies and drawing on the work of a rich range of other writers architects artists and commentators this study proposes that by examining the sustained and productive if hitherto overlooked engagement between the two disciplines we enrich our understanding of the complexity and interrelationship of both The book begins by tracing the rise of what was conceived of as modern and often international style architecture and by showing how poetry and architecture in the early decades of the century developed in dialogue and within a shared and often transnational context It then moves on to examine the material aesthetic and social conditions that helped shape both disciplines offering new readings of familiar poems and bringing other pertinent resources to light It considers the uses to which poets of the period put the insights of architecture and vice versa In closing Gill turns to modern and contemporary architects written accounts of their own practice in memoirs and other commentaries and examines how they have assimilated or resisted the practice and vision of poetry
